ACTION: Additions to the Procurement List.

DATES: *Date added to and deleted from the Procurement List:* September 27, 2026.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, 250 E Street SW, Suite 3100, Washington DC, 20024.

FOR FURTHER INFORMATION CONTACT: For further information or to submit comments contact: Michael R. Jurkowski, Telephone: (703) 489-1322, or email CMTEFedReg@AbilityOne.gov.

SUPPLEMENTARY INFORMATION:

Additions

On July 30, 2026 the Committee for Purchase From People Who Are Blind or Severely Disabled (operating as the U.S. AbilityOne Commission) published an initial notice of proposed additions to the Procurement List.(91 FR 48089) The Committee determined that the service listed below is suitable for procurement by the Federal Government and has added this service to the Procurement List as a mandatory purchase for the contracting activity listed. In accordance with 41 CFR 51-5.3(b), the mandatory purchase requirement is limited to the contracting activity at the location listed, and in accordance with 41 CFR 51-5.2, the Committee has authorized the listed nonprofit agency as the authorized source of supply.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the service(s) and impact of the additions on the current or most recent contractors, the Committee has

determined that the service(s) listed below are suitable for procurement by the Federal Government under 41 U.S.C. 8501-8506 and 41 CFR 51-2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in additional reporting, recordkeeping or other compliance requirements for small entities.

2. The action may result in authorizing small entities to furnish the service(s) to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501-8506) in connection with the service(s) added to the Procurement List.

End of Certification

Accordingly, the following service(s) are added to the Procurement List:

Service(s)

Service Type: Food and Logistics Support Services.

Mandatory For: US Army, Pennsylvania Army National Guard, Fort Indiantown Gap, PA, 48 FISHER AVE DMVA, Fort Indiantown Gap, PA.

Authorized Source of Supply: Opportunity Center, Incorporated, Wilmington, DE.

Contracting Activity: DEPT OF DEFENSE, W7NX USPFO ACTIVITY PA ARNG.

The Committee finds good cause to dispense with the 30-day delay in the effective date normally required by the Administrative Procedure Act. See 5 U.S.C. 553(d). This addition to the Committee's Procurement List is effectuated because of the expiration of the Department of the Army, Supply Distribution Food, USPFO-PA, Fort Indiantown Gap, PA contract. The Federal customer contacted and has worked diligently with the AbilityOne Program to fulfill this service need under the AbilityOne Program. To avoid performance disruption, and the possibility that the Department of the Army will refer its business elsewhere, this addition must be effective on September 27, 2026, ensuring timely execution for a October 1, 2027 start date. The Committee published an initial notice of proposed Procurement List addition in the **Federal Register** on July 30, 2026 (91 FR 48089) but did not receive any comments. This addition will not create a public hardship and has limited effect on the public at large.

Rather, this addition will create new jobs for other affected parties—people with significant disabilities in the AbilityOne program who otherwise face challenges locating employment. Moreover, this addition enables the Federal customer to continue operations without interruption.

Michael R. Jurkowski,

Director, Business Operations.
