SUMMARY: The Department of Labor (DOL) Veterans' Employment and Training Service (VETS) is soliciting comments on the information collection request (ICR) for OMB Control No. 1293-0018 *Homeless Veterans' Reintegration Program Budget and Narrative*, for which VETS proposes to revise the title to *Homeless Veterans' Reintegration Program Applicant Forms*. The Homeless Veterans' Reintegration Program (HVRP) is authorized under 38 U.S.C. 2021. HVRP funds over 150 discretionary grants that serve nearly 16,000 veterans experiencing homelessness, veterans at-risk of homelessness, and incarcerated veterans annually, and along with nearly 40 Stand Down events. SUPPLEMENTARY INFORMATION:

I. Background

The Department of Labor's VETS administers funds for the Homeless Veterans' Reintegration Program (HVRP) grant on an annual basis. These competitive grants are codified under 38 U.S.C. 2021, 2021A, and 2023. VETS provides funds to grant recipients through annual Funding Opportunity Announcements (FOA) and incremental funding throughout the grant's three-year (12 quarters) period of performance. The total number of grant recipients varies from year to year based on the amount of available funds. Grants are awarded up to \$500,000 each year, for a total of up to \$1,500,000 for the three-year period of performance.

The Assistant Secretary for Veterans' Employment and Training monitors and supervises the distribution and use of those funds as required by 38 U.S.C. 2021 and 38 U.S.C. 2021A.

VETS is proposing the following revisions:

Revise the title of this information collection: from the *Homeless Veterans' Reintegration Program Budget and Narrative* to the *Homeless Veterans' Reintegration Program Applicant Forms*.

Move forms to this information collection: This collection will contain the forms intended for applicant respondents to the annual FOA, while a different VETS information collection, (OMB Control No. 1293-0014), will focus on HVRP grant recipient respondents. VETS is proposing to transfer the following forms from 1293-0014 to 12903-0018 to align the forms with the appropriate respondent: (1) VETS-700 Planned Goals Chart; (2) VETS-704 Abstract; and (3) VETS-705 Past Performance Chart.

Revisions to the Abstract

- Organized questions into three Excel worksheets named "Abstract-1", "Abstract-2", and "Abstract-3" that focus on the proposed grant type, funding requests, physical location, service delivery area, and narrative responses.

- Added organization identifiers/contact information and automated inputs for geographic data and saturation level scores for the service delivery area.

- Added justification fields to align with FOA requirements, clarified instructions, and removed outdated fields, such as other non-HVRP funding sources.

Revisions to the Planned Goals Chart (PGC)

- Renamed the Excel worksheet to "PGC-4" and removed outdated or relocated reference worksheets, such as prior program year outcomes by state and the average living wages by state/county.

- Introduced automatic calculations for key metrics (e.g., cost per enrollment, cost per placement) and adjusted wage-based goals for inflation.
- Updated terminology to align with current HVRP policy and guidance.

Revisions to the Past Performance Chart

- Converted the form to an Excel worksheet named "CoPP-5" and integrated it into the workbook that contains the Abstract and Planned Goals Chart.
- Added structured questions on prior awards, operational timelines,
