Agency Information Collection Activities; Proposed Collection; Comment Request; Extension: Rule 425

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given, that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 425 (17 CFR 230.425) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) requires the filing of certain prospectuses and communications under Rule 135 (17 CFR 230.135) and Rule 165 (17 CFR 230.165) in connection with business combination transactions. The purpose of the rule is to permit more oral and written communications with shareholders about tender offers, mergers and other business combination transactions on a more-timely basis, so long as the written communications are filed on the date of first use. We estimate that responses to Rule 425 are made by approximately 547 respondents approximately 7.46 times a year for a total of 4,083 responses annually. We estimate that it takes approximately 0.25 burden hours per response and \$0 cost burden per response to provide the information required under Rule 425. As a result, we estimate that the total annual reporting burden for Rule 425 is 1,021 hours (0.25 hours per response × 4,083 responses) and that the total annual cost burden is \$0.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the

information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Please direct your written comments on this 60-Day Collection Notice to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Tanya Ruttenberg via email to PaperworkReductionAct@sec.gov by November 9, 2026.

Dated: September 8, 2026.

Assistant Secretary.
