Agency Information Collection Activities; Proposed Collection; Comment Request; Extension: Form CB—Tender Offer/Rights Offering Notification Form

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (''Commission'') is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

An entity conducting an exempt cross-border business combination or rights offering is required to file a Form CB (17 CFR 249.480) to the extent the party would have had a filing obligation if the transaction were not eligible for the exemption. Form CB is intended to help the Commission determine whether a transaction meets the eligibility requirements of the exemptive rules. Form CB also helps to ensure that information about the transaction is publicly available in order to help security holders make informed investment decisions. We estimate that approximately 49 respondents make one Form CB filing per year, for a total of approximately 49 responses annually. We estimate that respondents incur approximately 0.12 burden hours per Form CB filing, for a total annual reporting burden of 6 hours (0.12 hours per response × 49 responses). We estimate that respondents incur $225 cost burden per Form CB filing, for a total annual cost burden of $11,025 ($225 cost per response × 49 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Please direct your written comments on this 60-Day Collection Notice to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Tanya Ruttenberg via email to *PaperworkReductionAct@sec.gov* by November 9, 2026.

Dated: September 8, 2026.

Sherry R. Haywood,

Assistant Secretary.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NYSE National, Inc. (''NYSE National'' or the ''Exchange'') proposes to amend the Connectivity Fee Schedule (''Fee Schedule'') regarding colocation services and fees to make a non-substantive change to the lists in Colocation Notes 4 and 5.

Colocation Note 4 includes a table of ''Included Data Products'' that lists the market data feeds that Users[4] can connect to at no additional cost when they purchase a service that includes access to the LCN or IP network.[5] The list currently includes three ''NMS Feeds,'' two of which are referred to as ''CTA'' and ''CQ.''

Similarly, Colocation Note 5 lists the market data feeds available over the NMS network. As in Colocation Note 4, the list in Colocation Note 5 currently includes three ''NMS Feeds,'' two of which are referred to as ''CTA'' and ''CQ.''

The names ''CTA'' and ''CQ'' do not actually refer to the data feeds themselves, but rather, to the names of the NMS Plans pursuant to which the data feeds are currently disseminated—

[4] For purposes of the Exchange's colocation services, a ''User'' means any market participant that requests to receive colocation services directly from the Exchange. *See* Securities Exchange Act Release No. 83351 (May 31, 2018), 83 FR 26314 at n.9 (June 6, 2018) (SR–NYSENAT–2018–07). As specified in the Fee Schedule, a User that incurs colocation fees for a particular colocation service pursuant thereto would not be subject to colocation fees for the same colocation service charged by the New York Stock Exchange LLC, NYSE American LLC, NYSE Arca, Inc., and NYSE Texas, Inc. (together, the ''Affiliate SROs''). Each Affiliate SRO has submitted substantially the same proposed rule change to propose the change described herein.
