SUPPLEMENTARY INFORMATION:

Proposed Action

We, the U.S. Fish and Wildlife Service (Service), have received an application from Cornerstone Communities, LLC (applicant) for a 10-year incidental take permit (ITP) for one covered species pursuant to section 10(a)(1)(B) of the Endangered Species Act of 1973, as amended (ESA; 16 U.S.C. 1531 *et seq.*). The application addresses the potential “take” of the threatened coastal California gnatcatcher (gnatcatcher; *Polioptila californica californica*) associated with the construction of the Woodward 46 Specific Plan Project, in the City of San Marcos, San Diego County, California. In support of the application, the applicant prepared a draft HCP pursuant to section 10(a)(1)(B) of the ESA. The proposed action consists of the Service’s issuance of an ITP and implementation of the proposed HCP.

Our Preliminary Determination

The Service has made a preliminary determination that the Service’s issuance of the proposed ITP would individually and cumulatively have a minor effect on the gnatcatcher and the human environment. Therefore, we have preliminarily determined that the proposed action may qualify for application of a categorical exclusion pursuant to the National Environmental Policy (NEPA; 42 U.S.C. 4321 *et seq.*), the Department of the Interior’s (DOI) NEPA regulations, and the DOI Departmental Handbook (516 DM 1).

Public Availability of Comments

Before including your address, phone number, email address, or other personal identifying information in your comment, be aware that your entire comment, including your personal identifying information, may be made available to the public at any time. If you submit a comment at <https://www.regulations.gov>, your entire comment, including any personal identifying information, will be posted on the website. If you submit a hardcopy comment that includes personal identifying information, such as your address, phone number, or

email address, you may request at the top of your document that we withhold this information from public review. However, we cannot guarantee that we will be able to do so. Moreover, all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public disclosure in their entirety.

Authority

The Service provides this notice under section 10(c) of the Endangered Species Act (16 U.S.C. 1531 *et seq.*) and its implementing regulations (50 CFR 17.22 and 17.32) and the National Environmental Policy Act (42 U.S.C. 4321 *et seq.*) and its implementing regulations (43 CFR part 46).

Jonathan Snyder,

Acting Field Supervisor, Carlsbad Fish and Wildlife Office, U.S. Fish and Wildlife Service.

Bureau of Land Management

[A2407-014-004-065516, #O2509-014-004-125222]

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Land Use Application and Permit

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (PRA), the Bureau of Land Management (BLM) proposes extending an information collection.

DATES: Interested persons are invited to submit comments on or before October 13, 2026.

ADDRESSES: Written comments and recommendations for this information collection request (ICR) should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Jeff Holdren by email at jholdren@blm.gov, or by telephone at

(703) 360-9739. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States. You may also view the ICR at <http://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the PRA (44 U.S.C. 3501 *et seq.*) and 5 CFR 1320.8(d)(1), we invite the public and other Federal agencies to comment on new, proposed, revised and continuing collections of information. This helps the BLM assess impacts of its information collection requirements and minimize the public’s reporting burden. It also helps the public understand BLM information collection requirements and ensure requested data is provided in the desired format.

A **Federal Register** notice with a 60-day public comment period soliciting comments on this collection of information was published on March 19, 2026 (91 FR 13323). No comments were received in response to that notice.

As part of our continuing effort to reduce paperwork and respondent burdens, we are again inviting the public and other Federal agencies to comment on the proposed ICR described below. The BLM is especially interested in public comments addressing the following:

(1) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility.

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used.

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) How the agency could minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number,

email address, or other personally identifying information (PII) in your comment, you should be aware that your entire comment, including your PII, may be made publicly available at any time. While you can ask us in your comment to withhold your PII from public review, we cannot guarantee that we will be able to do so.

Abstract: The BLM uses the information to determine whether private citizens, State and local governments, and businesses are qualified to use, occupy, or develop the public lands under certain conditions. The land uses that may be authorized are agricultural development, residential, recreation concessions, business, industrial, and commercial. This OMB control number is currently scheduled to expire on September 30, 2026. The BLM request that OMB renew this OMB control number for an additional three (3) years.

Title of Collection: Land Use Application and Permit (43 CFR part 2920).

OMB Control Number: 1004-0009.

Form Numbers: Form 2920-1.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: Individuals, State and local

governments, and businesses that wish to use public lands.

Total Estimated Number of Annual Respondents: 407.

Total Estimated Number of Annual Responses: 407.

Estimated Completion Time per Response: Varies from 1 to 120 hours, depending on activity.

Total Estimated Number of Annual Burden Hours: 2,455.

Respondent's Obligation: Required to obtain or retain a benefit.

Frequency of Collection: On occasion.

Total Estimated Annual Non-hour Burden Cost: \$145,760.

An agency may not conduct or sponsor and, notwithstanding any other provision of law, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the PRA of 1995 (44 U.S.C. 3501 *et seq.*).

Darrin King,

Information Collection Clearance Officer.
