SUPPLEMENTARY INFORMATION:**I. Public Participation**

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the

- proposed collection of information, including the validity of the methodology and assumptions used;
 - Enhance the quality, utility, and clarity of the information to be collected; and/or
 - Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Written comments and recommendations for this information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function and entering either the title of the information collection or the OMB Control Number 1125–0017. This information collection request (“ICR”) may be viewed at www.reginfo.gov. Follow the instructions to view Department of Justice information collections currently under review by OMB. Please submit a copy of your comments to Justine Fuga at eoir.pra.comments@usdoj.gov.

II. Overview of This Information Collection

DOJ seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOJ notes that ICRs submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

Overview of this information collection:

1. *Type of Information Collection:* Revision and extension of a previously approved collection.
2. *Title of the Form/Collection:* Certification and Release of Records.
3. *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the*

collection: The agency form number is EOIR–59, and EOIR is the sponsoring component.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Affected Public: Individuals and households.

Abstract: This information collection is primarily used by EOIR to standardize and streamline requests for records related to cases or proceedings before EOIR pursuant to the Privacy Act and Freedom of Information Act (FOIA). An individual who is in or has been in proceedings before EOIR and seeks to authorize the disclosure of their information, including information retained in case files or a Record of Proceeding (documents, and if applicable, audio recordings), to an attorney, accredited representative, qualified organization, or other third party may use this form to authorize the disclosure. EOIR is making one substantive change to Part C to include a field to collect the name of the parent or guardian. The printed name of the parent or guardian in Part C will assist EOIR personnel processing the form to verify the parent or guardian's identity, as the name of the parent or guardian is not always legible in the signature field in Part D. EOIR also is making several non-substantive edits to the form instructions to improve clarity and readability, update links to EOIR web pages referenced in the instructions, and update the Privacy Act Statement. EOIR also removed references to “noncitizen” in form fields and headings.

5. *Obligation to Respond:* Optional and voluntary.

6. *Total Estimated Number of Respondents:* It is estimated that an average of 87,080 respondents will complete the form annually.

7. *Estimated Time per Respondent:* The estimated time per respondent is 10 minutes per response (0.17 hours per response).

8. *Frequency:* Once per year.

9. *Total Estimated Annual Time Burden:* EOIR estimates an average of 14,804 hours total annual time burden for form respondents.

Activity	Number of respondents	Frequency (annually)	Total annual responses	Time per response	Total annual burden (hours)
EOIR–59	87,080	1	87,080	10 minutes (0.17 hours)	14,804

10. *Total Estimated Annual Other Costs Burden:* The total estimated annual public cost ranges from \$0 to

\$1,264,298.88. The minimum cost burden is \$0. There are no capital or start-up costs or filing fees, and printing

and postage costs may be avoided by submitting the form electronically. The maximum cost burden is \$1,264,298.88.

This amount is reached by totaling the maximum printing, postage, and labor costs that may be incurred. Of the total number of responses received annually, 8,537 responses on average are submitted by mail and incur printing

and postage costs. Printing costs are estimated at \$0.10 per page. Postage costs are estimated at \$0.78 per response. If a respondent retains a practitioner to assist with completing the form, labor costs are estimated at

\$84.84 per hour, or \$14.42 per response, which represents the average wage for an attorney as reported by the Bureau of Labor Statistics.

Cost	Calculation	Total
Printing	\$0.10 per page × 2 pages × 8,537 mailed paper submissions annually	\$1,707.40
Postage	\$0.78 stamp × 8,537 mailed paper submissions annually	6,658.86
Labor	(\$84.84 per hour × 0.17 hours) × 87,080 average annual number of responses ..	1,255,932.62
Total	\$1,707.40 + \$6,658.86 + \$1,255,932.62	1,264,298.88

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Bureau of Justice Statistics, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Abstract: Under the Uniform Federal Crime Reporting Act of 1988, 34 United States Code (U.S.C.) 41303; the William Wilberforce Trafficking Victims Protection Reauthorization Act of 1988, 34 U.S.C. 41309; and 28 Code of Federal Regulations 0.85(f), FBI, General Functions, this collection requests the number of arrests from federal, state, county, city, tribal, and territorial law enforcement agencies (LEA) in order for the FBI's Uniform Crime Reporting Program to obtain ASRE data in furtherance of serving as the national clearinghouse for the collection and dissemination of criminal statistics and to publish these statistics.

Overview of This Information Collection

1. Type of Information Collection: Extension of a currently approved collection.

2. The Title of the Form/Collection: ASRE of Persons Arrested Under 18 Years of Age; ASRE of Persons Arrested 18 Years of Age and Over.

3. The agency form number, if any, and the applicable component of the Department sponsoring the collection: The form numbers are 1-708 and 1-708a. The applicable component within DOJ is the CJIS Division in the FBI.

4. Affected public who will be asked or required to respond, as well as the obligation to respond: Affected public would be federal, state, local, tribal, and territorial LEAs. The obligation to respond is voluntary.

5. An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: There are approximately 3,381 LEA respondents submitting monthly for an estimated total of 40,572 responses for each form (3,381 LEAs × 12 months = 40,572 responses. 40,572 × 2 = 81,144 responses total for both forms). The estimated time it takes for an average respondent to respond is 15 minutes for form number 1-708 and 12 minutes for form number 1-708a.

6. An estimate of the total annual burden (in hours) associated with the collection: With two forms for this collection, the responses for the total of both forms is 81,144, with 40,572 total responses for each individual form. Therefore, the estimated annual public burden is 18,257 hours. [40,572 annual responses × 15 minutes per 1-708 response/60 minutes per hour = 10,143 hours. Additionally, 40,572 annual responses × 12 minutes per 1-708a response/60 minutes per hour = 8,114]. (10,143 hours + 8,114 hours = 18,257 hours).

7. An estimate of the total annual cost burden associated with the collection, if applicable:
