SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–106312; File No. SR–C2–2026–025]

Self-Regulatory Organizations; Cboe C2 Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Exchange Rule 6.5

September 9, 2026.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),[1] and Rule 19b–4 thereunder,[2] notice is hereby given that on September 1, 2026, Cboe C2 Exchange, Inc. (the "Exchange" or "C2") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe C2 Exchange, Inc. (the "Exchange" or "C2") proposes to amend Exchange Rule 6.5 to eliminate the fee currently applicable in connection with a catastrophic error review and instead assess a reduced $500 fee when the Obvious Error Panel or Catastrophic Error Panel votes to uphold the decision under review. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Commission's website (*https://www.sec.gov/rules/sro.shtml*), the Exchange's website (*https://www.cboe.com/us/options/regulation/rule_filings/ctwo/*), and at the principal office of the Exchange.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Exchange Rule 6.5, effective September 1, 2026, to eliminate the $5,000 charge currently applicable in connection with a catastrophic error review and adopt a reduced $500 fee when the Obvious Error Panel or Catastrophic Error Panel votes to uphold the decision under review.[3]

Currently, Exchange Rule 6.5(d)(3) provides that, in connection with a catastrophic error review, if an Official determines that a Catastrophic Error has [sic] occurred, the Trading Permit Holder will be subject to a charge of $5,000. The Exchange proposes to amend Rule 6.5(d)(3) to eliminate that $5,000 charge. In its place, the Exchange proposes to adopt new Rule 6.5(k)(5) and Rule 6.5(l)(5), which provide that if the Obvious Error Panel or Catastrophic Error Panel, respectively, votes to uphold the decision made under Rule 6.5, the Exchange will assess a $500 fee against the Trading Permit Holder(s) who initiated the request for appeal. In addition, in instances where the Exchange, on behalf of a Trading Permit Holder, requests a determination by another market center that a transaction is clearly erroneous, the Exchange will pass any resulting charges through to the relevant Trading Permit Holder. The proposed change is designed to eliminate the fee borne by Trading Permit Holders in connection with the Exchange's initial catastrophic error review and instead apply a fee at the appeal stage of the process. The proposed $500 fee is a nominal administrative charge associated with the appeal process that is substantially

lower than the $5,000 charge currently applicable in connection with a catastrophic error review, and is designed to discourage the initiation of unfounded appeals. The proposed $500 fee is identical to the fee assessed under Cboe BZX Exchange, Inc. (''BZX'') Rule 20.6 and Cboe EDGX Exchange, Inc. (''EDGX'') Rule 20.6 when the Obvious Error Panel on those exchanges votes to uphold a decision; the Exchange notes that BZX and EDGX utilize a single Obvious Error Panel for appeals, whereas the Exchange maintains separate Obvious Error and Catastrophic Error Panels.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the ''Act'') and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.[4] Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)[5] requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5) requirement that the rules of an exchange not be designed to permit unfair discrimination. The Exchange also believes the proposed rule change is consistent with Section 6(b)(4) of the Act,[6] which requires that Exchange rules provide for the equitable allocation of reasonable dues, fees, and other charges among its Trading Permit Holders and other persons using its facilities.

The Exchange believes the proposed amendments to Exchange Rule 6.5 to eliminate the $5,000 charge currently applicable in connection with a catastrophic error review and to adopt a reduced $500 fee assessed against a Trading Permit Holder who initiates a request for appeal that is upheld by the Obvious Error Panel or Catastrophic Error Panel are reasonable. The proposed $500 fee is a nominal administrative charge associated with the appeal process that is substantially lower than the $5,000 charge currently applicable in connection with a catastrophic error review, and is designed to discourage the initiation of unfounded appeals. The Exchange notes that the proposed $500 fee is identical to the fee assessed under BZX Rule 20.6 and EDGX Rule 20.6 when the Obvious Error Panel on those exchanges votes to uphold a decision. The Exchange believes the proposed changes are equitable and not unfairly discriminatory because the proposed $500 fee will apply uniformly to any Trading Permit Holder(s) who initiate a request for appeal that is upheld by the applicable Panel, and the elimination of the $5,000 charge applies uniformly to all Trading Permit Holders.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Intramarket Competition. The Exchange does not believe the proposed changes will impose any burden on intramarket competition. The proposed amendments to Rule 6.5 to eliminate the $5,000 charge currently applicable in connection with a catastrophic error review and to adopt a reduced $500 fee assessed when the Obvious Error Panel or Catastrophic Error Panel votes to uphold the decision under review will apply uniformly to all Trading Permit Holders that initiate a request for appeal under Rule 6.5.

Intermarket Competition. The Exchange does not believe the proposed changes will impose any burden on intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed amendments to Exchange Rule 6.5 concern the Exchange's own error-review process and do not impose any burden on intermarket competition. Trading Permit Holders may readily direct their order flow to competing venues if they deem the Exchange's fees to be excessive.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act[7] and paragraph (f) of Rule 19b–4[8] thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments:

• Use the Commission's internet comment form (*https://www.sec.gov/rules/sro.shtml*); or

To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (*https://www.sec.gov/rules/sro.shtml*). Copies of the filing will be available for inspection and copying at the principal office of the Exchange. [OMB Control No. 3235–0102]

Agency Information Collection Activities; Proposed Collection; Comment Request; Extension: Tender Offer-Regulation 14D and Regulation 14E, Schedule 14D–9

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (''Commission'') is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval. The Commission also is requesting approval from OMB to designate this existing collection of information (OMB Control No. 3235–0102) as a ''common form'' for purposes of PRA submissions [1] because the Board of Governors of the Federal Reserve System uses this information collection (under OMB Control No. 7100–0091).

Regulation 14D (17 CFR 240.14d–1 through 240.14d–11) and Regulation 14E (17 CFR 240.14e–1 through 240.14e–8) and related Schedule 14D–9 (17 CFR 240.14d–101) require information intended to help security holders determine how to respond to tender offers. The information required by Schedule 14D–9 is mandatory, and Schedule 14D–9 filings are publicly available on the Commission's Electronic Data Gathering, Analysis, and Retrieval (''EDGAR'') system. We estimate that Schedule 14D–9 is filed once per year by approximately 54 respondents, for a total of approximately 54 responses annually. We estimate that respondents incur 65.14 burden hours per Form 10–K response, for a total annual reporting burden of 3,518 hours (65.14 burden hours per response × 54 responses). We estimate that respondents incur $117,252 cost burden per Schedule 14D–9 response, for a total annual cost burden of $6,331,608 ($117,252 cost burden per response × 54 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Please direct your written comments on this 60-Day Collection Notice to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Tanya Ruttenberg via email to *PaperworkReductionAct@sec.gov* by November 13, 2026.
