

merchandise in this review, Commerce will instruct CBP to liquidate any suspended entries that entered under CSAC's case number (*i.e.*, at CSAC's cash deposit rate) at the all-others rate (*i.e.*, 17.50 percent).

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of these final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of Common Alloy Aluminum Sheet from Taiwan entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register**, as provided for by section 751(a)(2)(C) of the Act: (1) for CSAC, which had no shipments for the POR, the cash deposit rate will remain unchanged from the rate assigned to CSAC in the most recently completed review of the company; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the producer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 17.50 percent, the all-others rate established in the investigation.⁶ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties

occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order (APO)

This notice also serves as a reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

Commerce is issuing and publishing the final results of this review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5).

Dated: September 9, 2026.

SUPPLEMENTARY INFORMATION:

Background

On July 25, 2025, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the antidumping duty order on brass rod from the Republic of Korea (Korea).¹ On September 10, 2025, Commerce selected BYI and Daechang as the two mandatory respondents in this review.²

Due to the lapse in appropriations and federal government shutdown, on November 14, 2025, Commerce tolled the deadline of the preliminary results by 47 days.³ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁴ On March 25, 2026, Commerce extended the preliminary results of this review to August 31, 2026.⁵ On August 31, 2026, Commerce further extended the deadline to issue the preliminary results to September 8, 2026.⁶

For a complete description of the events between the initiation of this review and these preliminary results, see the Preliminary Decision Memorandum.⁷ A list of the topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice. Methodology

Commerce is conducting this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Commerce calculated export prices and constructed export prices in accordance with section 772(a) and (b) of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying the preliminary determination, see the Preliminary Decision Memorandum.⁸

Preliminary Results of Review

As a result of this review, we preliminarily determine the following estimated weighted-average dumping margin exists for the period December 1, 2023, through May 31, 2025:

Producer/exporter	Weighted average dumping margin (percent)
Booyoung Industry	9.28
Daechang Co., Ltd./Seowon Co. Ltd./IMI Co., Ltd. ⁹	5.22

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties for these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Pursuant to 19 CFR 351.309(c)(1)(ii), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than

21 days after the date of the publication of this notice.¹⁰ Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹¹ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹²

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public executive summary for each issue raised in their briefs.¹³ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁴

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) the party’s name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce will inform parties of the scheduled date for the hearing.¹⁵

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b)(1), Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject

merchandise in accordance with the final results of this review.

If an individually examined respondent’s weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.50 percent) in the final results of this review, Commerce intends to calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for each importer’s examined sales to the total entered value of those sales. Where we do not have entered values for all U.S. sales to a particular importer, we will calculate an importer-specific, per-unit assessment rate on the basis of the ratio of the total amount of dumping calculated for the importer’s examined sales to the total quantity of those sales.¹⁶ To determine whether an importer-specific, per-unit assessment rate is *de minimis*, in accordance with 19 CFR 351.106(c)(2), we also will calculate an importer-specific *ad valorem* ratio based on estimated entered values. If an individually examined respondent’s weighted-average dumping margin is zero or *de minimis* or where an importer-specific *ad valorem* assessment rate is zero or *de minimis*, we will instruct CBP to liquidate appropriate entries without regard to antidumping duties.¹⁷

In accordance with Commerce’s “automatic assessment” practice, for entries of subject merchandise during the POR produced by an individually examined respondent’s for which they did not know that the merchandise was destined for the United States, we intend to instruct CBP to liquidate those entries at the all-others rate calculated in the less-than-fair-value (LTFV) investigation if there is no rate for the intermediate company(ies) involved in the transaction.¹⁸

The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹⁹ Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International

Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the companies listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated or reviewed companies not covered by this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the LTFV investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 6.94 percent, the all-others rate established in the underlying investigation.²⁰ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: September 8, 2026.

SUPPLEMENTARY INFORMATION:

Background

On June 21, 2019, Commerce published in the **Federal Register** the countervailing duty (CVD) order on glycine from India.¹ On June 3, 2025, Commerce published the notice of the opportunity to request an administrative review of the Order.² On July 25, 2025, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the Order.³ On September 11, 2025, we selected Kumar Industries (Kumar) and Mulji Mehta Enterprises (Mulji) as mandatory respondents in this review.⁴ Between August 6 and October 23, 2025, all review requests for 27 companies were timely withdrawn.⁵

Due to the lapse in appropriations and Federal Government shutdown, on November 17, 2025, Commerce tolled certain deadlines in this administrative proceeding by 47 days.⁶ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled deadlines for this administrative proceeding by an additional 21 days.⁷ Between April 28, and August 31, 2026, Commerce extended the deadline for issuing these preliminary results, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), until September 8, 2026.⁸
