Frozen Warmwater Shrimp From Ecuador: Amended Final Results of Countervailing Duty Expedited Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is amending the final results of the expedited review of the countervailing duty (CVD) order on frozen warmwater shrimp from Ecuador to correct ministerial errors. The period of review (POR) is January 1, 2022, through December 31, 2022.

DATES: Applicable September 14, 2026.

FOR FURTHER INFORMATION CONTACT: Jonathan Hall-Eastman or Stephanie Trejo, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–6467, or (202) 482–4390, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 6, 2026, Commerce published the *Final Results* of the expedited review of the CVD order on frozen warmwater shrimp from Ecuador in the **Federal Register**.[1] On August 12, 2026, Commerce notified interested parties of the deadline for the submission of ministerial error comments concerning the *Final Results*.[2] On August 17, 2026, Commerce received timely filed allegations of ministerial errors from the Ad Hoc Shrimp Trade Action Committee (AHSTAC).[3] On August 24, 2026, Commerce received timely filed rebuttal comments from Empacadora del Pacifico S.A. (Edpacif).[4] No other interested party commented on AHSTAC's allegations.

Legal Framework

A ''ministerial error'' is defined as an error ''in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error which {Commerce} considers ministerial.''[5] Any issue raised by an interested party as a ministerial error which is, in fact, the result of a methodological decision by Commerce will not be considered a ministerial error because it would not meet the definition of the term in the controlling regulation.[6]

Commerce's regulations stipulate that the agency will disclose its calculations to parties to the proceeding and that those parties may submit comments concerning any ministerial error in such calculations.[7] Commerce will analyze any comments received and, if appropriate, correct any ministerial error by amending the final results of review.[8]

Ministerial Errors

AHSTAC alleges that Commerce made two ministerial errors in the calculations underlying the *Final Results*. Commerce reviewed the record and agrees that both of the errors alleged by AHSTAC constitute ministerial errors within the meaning of section 751(h) of the Act and 19 CFR 351.224(f).[9] Specifically, for Edpacif, Commerce made an inadvertent error by referencing an incorrect figure in the final calculation worksheet.[10] For Nirsa/Proposorja, Commerce made an inadvertent error by not implementing a revision in the final calculation worksheet.[11]

Pursuant to 19 CFR 351.224(e), Commerce is amending the *Final Results* to reflect the correction of the ministerial errors, as described in the Ministerial Error Memorandum. Based on the corrections, Edpacif final subsidy rate changed from 15.17 percent to 15.18 percent, and Nirsa/Proposorja final subsidy rate changed from 2.21 percent to 2.23 percent. The amended net subsidy rates are listed in the ''Amended Final Results'' section below.

For a complete discussion of the ministerial error allegation, as well as Commerce's analysis, see the accompanying Ministerial Error Memorandum.[12] The Ministerial Error Memorandum is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at *https://access.trade.gov.*

Amended Final Results of Review

As a result of correcting the ministerial errors described above, Commerce determines that the following net countervailable subsidy rates exist for the following producers/exporters for which this expedited review is being conducted for the period January 1, 2022, through December 31, 2022:

Company	Subsidy rate (percent *ad valorem*)
Empacadora del Pacifico S.A	15.18
Nirsa S.A./Procesadora Posorja S.A	2.23
