Certain Oil Country Tubular Goods From the Republic of Türkiye: Preliminary Results of Countervailing Duty Administrative Review; 2024

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that countervailable subsidies were provided to Borusan Birleşik Boru Fabrikaları Sanayi ve Ticaret A.Ş. (Borusan), a producer and exporter of certain oil country tubular goods (OCTG) from the Republic of Türkiye (Türkiye). The period of review (POR) is January 1, 2024, through December 31, 2024. Interested parties are invited to comment on these preliminary results.

DATES: Applicable September 15, 2026.

FOR FURTHER INFORMATION CONTACT: Michael Romani, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0198.

SUPPLEMENTARY INFORMATION:

Background

On July 18, 2014, Commerce published in the **Federal Register** the countervailing duty (CVD) order on OCTG from Türkiye.¹ On December 8, 2025, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the CVD order

on OCTG from Türkiye.² Borusan is the sole company being examined in this review.³

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁴ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁵ On July 16, 2026, Commerce extended the deadline for the preliminary results of this review by 32 days.⁶ Accordingly, the deadline for these preliminary results is now September 10, 2026.

For a complete description of the events that followed the initiation of this review, *see* the Preliminary Decision Memorandum.⁷ A list of topics included in the Preliminary Decision Memorandum is provided as the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS, which is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/frnotices>.

Scope of the Order

The product covered by the *Order* is OCTG from Türkiye. For a complete description of the scope of the *Order*, *see* the Preliminary Decision Memorandum.

the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the subsidy is specific.⁸ For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum.

Preliminary Results of Review

As a result of this review, we preliminarily determine the following net countervailable subsidy rates exist for the POR, January 1, 2024, through December 31, 2024:

Borusan Birleşik Boru Fabrikaları Sanayi ve Ticaret A.Ş. ⁹	0.63

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties for these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Pursuant to 19 CFR 351.309(c)(1)(ii), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than 21 days after the date of the publication of this notice.¹⁰ Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the

date for filing case briefs.¹¹ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹² All briefs must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety in ACCESS by 5:00 p.m. Eastern Time on the established deadline.

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public executive summary for each issue raised in their briefs.¹³ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁴

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) the party’s name, address, and telephone number; (2) the number of participants, and whether any participant is a foreign national; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce will inform parties of the scheduled date for the hearing.¹⁵

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts shown above for the producers/exporters shown above. Consistent with section 751(a)(1) of the Act and 19 CFR

351.212(b)(2), upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review.

Commerce intends to issue assessment instructions to CBP regarding Borusan no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.107(e), Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review, as follows: (1) the cash deposit rate for the company listed above will be equal to the company-specific estimated individual countervailable subsidy rates determined in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) if both the producer and exporter of the subject merchandise have company-specific estimated subsidy rates assigned, and their rates differ, then the applicable cash deposit rate will be the higher of these two rates; (3) if either the producer or the exporter, but not both, of the subject merchandise has a company-specific estimated subsidy rate assigned, the applicable cash deposit rate will be that company’s company-specific rate; and (4) the cash deposit rate for all other producers and exporters will be continue to be 9.21 percent, the all-others subsidy rate established in the investigation.¹⁶ These cash deposit instructions, when imposed, shall remain in effect until further notice.

Final Results of Administrative Review

Unless extended, Commerce intends to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of the date of publication of these preliminary results in the **Federal**

National Oceanic and Atmospheric Administration

[RTID 0648–XG049]

Pacific Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of a public online meeting.

SUMMARY: The Groundfish Subcommittee of the Pacific Fishery Management Council's (Pacific Council) Scientific and Statistical Committee (SSC) will convene to review the suitability of a standardization of fishery-dependent indices for midwater rockfishes and an eDNA-based index of abundance for application in groundfish stock assessments. The methodology review meeting is open to the public and being conducted in person with the opportunity for public comment.

DATES: The groundfish methodology review meeting will be held Tuesday, October 6, 2026, through Thursday, October 8, 2026, from 8 a.m. until 5 p.m. (Pacific Daylight Time) or until business for the day has been completed.

ADDRESSES: The groundfish methodology review will be conducted as an in-person meeting with web broadcasting. Specific meeting information, including the agenda and

directions on how to join the meeting and system requirements, will be provided in the workshop announcement on the Pacific Council's website (see www.pcouncil.org). You may send an email to Hayden York (hayden.york@pcouncil.org; (503) 820–2424) for technical assistance.

Council address: Pacific Fishery Management Council, 7700 NE Ambassador Place, Suite 101, Portland, Oregon 97220.

FOR FURTHER INFORMATION CONTACT:

Diana Perry, Staff Officer, Pacific Council; telephone: (503) 820–2414, email: Diana.Perry@pcouncil.org.

SUPPLEMENTARY INFORMATION: The purpose of the groundfish methodology review meeting is aimed at evaluating fishery-dependent indices for midwater rockfishes and an eDNA-based index of abundance, which has been developed for the Pacific hake stock assessment, and has been informally proposed for application to widow rockfish and other groundfish species. The fishery-dependent methodology review will focus on practices for data filtering, index standardization model structure, and variables to consider in standardization. The proposed model includes a standard spatiotemporal delta-model for catch rates, positive encounters, and a third layer which supports the estimation of the magnitude of preferential sampling behavior (aggregate, or by vessels) and compares indices to models that do not account for non-random sampling. The eDNA-based index of abundance method review will include the application of eDNA approaches in building an abundance index using Pacific hake as a case study and how the same samples collected and analyzed for hake can be repurposed to examine the abundance and distribution of a wide range of groundfish and coastal pelagic species. This review is planned in preparation for the 2029 groundfish stock assessment cycle. The results of this review are not considered final until reviewed by the full SSC at a future Pacific Council meeting.

No management actions will be decided by the meeting participants. The participants' role will be development of recommendations and reports for consideration by the SSC and the Pacific Council at a future Pacific Council meeting.

Although non-emergency issues not contained in the meeting agenda may be discussed, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after

publication of this notice that require emergency action under Section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent of the workshop participants to take final action to address the emergency.
