Written comments and suggestions from the public and affected agencies should address one or more of the following four points: (1) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) suggestions to enhance the quality, utility, and clarity of the information to be collected; and (4) suggestions to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses. The comments that are submitted will be summarized and included in the request for approval. All comments will become a matter of public record.

Overview of This Information Collection

Title: Exportation of Used Self-Propelled Vehicles.

OMB Number: 1651–0054.

Form Number: N/A.

Current Actions: Revision.

Type of Review: Revision.

Affected Public: Individuals and Businesses.

Abstract: U.S. Customs and Border Protection (CBP) regulations require an individual attempting to export a used self-propelled vehicle to furnish documentation to CBP at the port of export. Exportation of a vehicle is permitted only upon compliance with these requirements. The required documentation includes, but is not limited to, a Certificate of Title or a Salvage Title, the Vehicle Identification Number (VIN), a Manufacturer's Statement of Origin, etc. CBP will accept originals or certified copies of the Certificate of Title. Supporting documentation may be submitted

through the Document Image System (DIS). The purpose of this information is to help ensure that stolen vehicles or vehicles associated with other criminal activity are not exported.

Collection of this information is authorized by 19 U.S.C.1627a, which provides CBP with authority to impose export reporting requirements on all used self-propelled vehicles. It is also authorized by Title IV, Section 401 of the Anti-Car Theft Act of 1992, 19 U.S.C. 1646(c), which requires all persons exporting a used self-propelled vehicle to provide to CBP, at least 72 hours prior to export, the VIN and proof of ownership of each automobile. This information collection is provided for by 19 CFR Part 192. Further guidance regarding these requirements is provided at: <https://www.cbp.gov/trade/basic-import-export/export-docs/motor-vehicle>.
