New Felony Offense for Repeated Violations of 49 U.S.C. 46307

The Act created a felony offense for repeated convictions for violating national defense airspace under 49 U.S.C. 46307. Section 46307 establishes a criminal offense when an individual knowingly and willfully violates an order issued pursuant to 49 U.S.C. 40103(b)(3) that restricts or prohibits civil aircraft in certain navigable airspace “in the interest of national defense.” An offense under section 46307 constitutes a Class A misdemeanor, punishable by up to one year in prison. The Act added a maximum five-year penalty for a person convicted of a second or subsequent offense under section 46307. In response to this new statutory provision, the amendment revises Appendix A to reference 49 U.S.C. 46307 to § 2A5.2 (Interference with Flight Crew Member or Flight Attendant; Interference with Dispatch, Navigation, Operation, or Maintenance of Mass Transportation Vehicle; Unsafe Operation of Unmanned Aircraft) for felony offenses and § 2X5.2 (Class A Misdemeanors (Not Covered by Another Specific Offense Guideline)) for misdemeanor offenses.
