■ 9. Revise and republish § 1217.101(d) and (e) to read as follows:

§ 1217.101 Definitions.

* * * * *

(d) *Eligible domestic manufacturer* means any person who manufactured and shipped 15 million board feet or more of softwood lumber on a nominal count in the United States during the representative period.

(e) *Eligible importer* means any person who imported 15 million board feet or more of softwood lumber on a nominal count into the United States during the representative period as a principal or as an agent, broker, or consignee of any person who manufactured softwood lumber outside of the United States for sale in the United States, and who is listed as the importer of record for such softwood lumber. Importation occurs when softwood lumber manufactured outside of the United States is released from custody by Customs and introduced into the stream of commerce in the United States. Included are persons who hold title to foreign-manufactured softwood lumber immediately upon release by Customs, as well as any persons who act on behalf of others, as agents or brokers, to secure the release of softwood lumber from Customs when such softwood lumber is entered or withdrawn for use in the United States.
