The EAC provides a platform for engagement with economic development and evaluation experts

and contributes to MCC's mission to reduce poverty through sustainable and inclusive economic growth. MCC will use the advice, recommendations, and guidance from the EAC to inform threshold, compact, and concurrent regional compact development, implementation, and results measurement procedures; and assess future policy innovations and methodologies at MCC. The MCC Acting Vice President of the Department of Policy and Evaluation affirms that the EAC is necessary and in the public interest. The EAC is seeking members to comprise a diverse group of recognized thought leaders and experts representing academic institutions, think tanks, donor organizations, and development banks. SUPPLEMENTARY INFORMATION: The EAC shall consist of approximately 25 individuals who are recognized experts in their field, academics, innovators, and thought leaders, representing academic organizations, independent think tanks, international development agencies, multilateral and regional development financial institutions, and foundations. All Members shall serve without compensation. The duties of the EAC are solely advisory and any determinations to be made or actions to be taken on the basis of EAC advice shall be made or taken by appropriate officers of MCC.

Nominees selected for appointment to the EAC will be notified by return email and receive a letter of appointment.
