

remains before they arrived in the possession of CSUN.

Earth mounds in Ohio were used prehistorically for a number of functions, one of which were funerary or mortuary locations. Using ethnographic evidence and Traditional Knowledge, present-day descendants of the Peoria Tribe of Indians of Oklahoma and The Shawnee peoples have known the area of southern Ohio region as a part of their home land since time immemorial.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location of the human remains described in this notice.

Determinations

The California State University, Northridge has determined that:

- The human remains described in this notice represent the physical remains of three individuals of Native American ancestry.
- There is a connection between the human remains described in this notice and the Peoria Tribe of Indians of Oklahoma and the Shawnee Tribe.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the authorized representative identified in this notice under

ADDRESSES. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains described in this notice to a requestor may occur on or after October 23, 2026. If competing requests for repatriation are received, California State University, Northridge must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. California State University, Northridge is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Notice of Inventory Completion: Lindsborg Old Mill and Swedish Heritage Museum, Lindsborg, KS

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Lindsborg Old Mill and Swedish Heritage Museum has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after October 23, 2026.

ADDRESSES: Send written requests for repatriation of the human remains and associated funerary objects in this notice to Hayley Samford, Lindsborg Old Mill and Swedish Heritage Museum, P.O. Box 94, Lindsborg, KS 67456, email Hayley.samford@oldmillmuseum.org.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Lindsborg Old Mill and Swedish Heritage Museum, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, 20 individuals have been identified. The 15 lots of associated funerary objects are pot shards and pipes. The items come from two Collections, the Bethany College Collection and the Fries Collection. Limited information on specific items is available. It is most likely that the majority of the items come from sites in McPherson County,

Kansas, however, we do not have all of the information necessary to say so definitively in the case of many items.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains and associated funerary objects described in this notice.

Determinations

The Lindsborg Old Mill and Swedish Heritage Museum has determined that:

- The human remains described in this notice represent the physical remains of at least 20 individuals of Native American ancestry.
- The 15 lots of objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Iowa Tribe of Kansas and Nebraska and the Kaw Nation, Oklahoma.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after October 23, 2026. If competing requests for repatriation are received, the Lindsborg Old Mill and Swedish Heritage Museum must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The Lindsborg Old Mill and Swedish Heritage Museum is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.

Notice of Inventory Completion: Museum of Northern Arizona, Flagstaff, AZ

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Museum of Northern Arizona (MNA) has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after October 23, 2026.

ADDRESSES: Send written requests for repatriation of the human remains and associated funerary objects in this notice to Anthony Thibodeau, Director of Research and Collections, Museum of Northern Arizona, 3101 N Fort Valley Road, Flagstaff, AZ 86001, email athibodeau@musnaz.org.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the MNA, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, one individual has been identified from NA10946. No associated funerary objects are present. NA10946 is an historic Yavapai habitation (late 1800s to early 1900s) that was excavated

between 1970 and 1971 during a joint archaeology field school project between MNA and Orme School. The Orme School and NA10946 are in Yavapai County, Arizona.

Human remains representing, at least, two individuals have been identified on Orme School grounds near NA10946. The two associated funerary objects are ground stone manos. One burial was found eroding from an exposed road cut and the other from an exposed arroyo bank. Both were excavated by Orme School staff and donated to MNA in 1970.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains and associated funerary objects described in this notice.

Determinations

The MNA has determined that:

- The human remains described in this notice represent the physical remains of at least three individuals of Native American ancestry.
- The two objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Fort McDowell Yavapai Nation, Arizona; Yavapai-Apache Nation of the Camp Verde Indian Reservation, Arizona; and the Yavapai-Prescott Indian Tribe.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after October 23, 2026. If competing requests for repatriation are received, the MNA must determine the most appropriate requestor prior to

repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The MNA is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.
