Notice of Inventory Completion: Indiana State University, Terre Haute, IN

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native
 American Graves Protection and
 Repatriation Act (NAGPRA), Indiana

State University (ISU) has completed an
 inventory of human remains and
 associated funerary objects and has
 determined that there is a cultural
 affiliation between the human remains
 and associated funerary objects and
 Indian Tribes or Native Hawaiian
 organizations in this notice.

DATES: Repatriation of the human
 remains and associated funerary objects
 in this notice may occur on or after
 October 23, 2026.

ADDRESSES: Send written requests for
 repatriation of the human remains and
 associated funerary objects in this notice
 to Karla Hansen-Speer, Indiana State
 University, Earth and Environmental
 Systems Department, 600 N Chestnut
 Street, Terre Haute, IN 47809, email
karla.hansen-speer@indstate.edu.

SUPPLEMENTARY INFORMATION: This
 notice is published as part of the
 National Park Service's administrative
 responsibilities under NAGPRA. The
 determinations in this notice are the
 sole responsibility of Indiana State
 University, and additional information
 on the determinations in this notice,
 including the results of consultation,
 can be found in its inventory or related
 records. The National Park Service is
 not responsible for the determinations
 in this notice.

Abstract of Information Available

Human remains representing, at least,
 two individuals have been identified.
 The one associated funerary object is a
 turkey bone awl. These individuals
 were removed from 12-D-0094 in
 Dearborn County, IN. The burials were
 accidentally exposed during the
 construction of a trailer berth in May
 1990. At the request of the Dearborn
 County Coroner, Indiana State
 University staff exhumed the burials. To
 our knowledge, no hazardous
 substances have been used to treat the
 human remains or funerary belonging.

Cultural Affiliation

Based on the information available
 and the results of consultation, cultural
 affiliation is reasonably identified by the
 geographical location or acquisition
 history of the human remains and
 associated funerary objects described in
 this notice.

Determinations

Indiana State University has
 determined that:

- The human remains described in
 this notice represent the physical
 remains of two individuals of Native
 American ancestry.
- The one object described in this
 notice is reasonably believed to have

been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.

- There is a connection between the human remains and associated funerary objects described in this notice and the Absentee-Shawnee Tribe of Indians of Oklahoma; Eastern Shawnee Tribe of Oklahoma; Miami Tribe of Oklahoma; Peoria Tribe of Indians of Oklahoma; Pokagon Band of Potawatomi Indians, Michigan and Indiana; Quapaw Nation; Shawnee Tribe; and The Osage Nation.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after October 23, 2026. If competing requests for repatriation are received, Indiana State University must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. Indiana State University is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: September 17, 2026.

Melanie O'Brien,

Manager, National NAGPRA Program.

Notice of Inventory Completion: The University of Kansas, Lawrence, KS

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the University of Kansas has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after October 23, 2026.

ADDRESSES: Send written requests for repatriation of the human remains and associated funerary objects in this notice to Katie McClure, The University of Kansas, Biodiversity Institute & Natural History Museum, Division of Archaeology, 1340 Jayhawk Blvd., Lawrence, KS 66045, email repatriation@ku.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the University of Kansas, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, one individual has been identified. The 142 associated funerary objects are four drills, 91 projectile points, one complete ceramic pipe, four ceramic pipe fragments, 24 bifaces, 14 ceramic sherds, one bone fragment, two scrapers, and one groundstone gorget. This individual and associated funerary objects were removed from or around the Pamunkey Indian Tribe Reservation in King William County, Virginia by James Sheldon Carey. Carey was present there in 1934 and 1935 as a ceramics instructor for the Pamunkey Pottery School. In 1944, Carey moved to Lawrence, Kansas where he became a

professor of fine arts at the University of Kansas (KU). He later donated his collection to KU in 1996. KU has no knowledge of the presence of any potentially hazardous substances or treatments.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location and acquisition history of the human remains and associated funerary objects described in this notice.

Determinations

The University of Kansas has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- The 142 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Pamunkey Indian Tribe.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after October 23, 2026. If competing requests for repatriation are received, the University of Kansas must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The University of Kansas is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.
