Title of Collection: Federal Direct PLUS Loan Request for Supplemental Information.

OMB Control Number: 1845-0103.

Type of Review: Revision of a currently approved ICR.

Respondents/Affected Public: Individuals or Households.

Total Estimated Number of Annual Responses: 1,379,766.

Total Estimated Number of Annual Burden Hours: 689,883.

Abstract: The Federal Direct PLUS Loan Request for Supplemental Information serves as the means by which a parent applicant may provide certain information to a school that will assist the school in originating the borrower's Direct PLUS Loan award, as an alternative to providing this information to the school by other means established by the school. This is a request for a revision of the currently approved form.

The One Big Beautiful Bill Act (OBBBA) signed into law on July 4, 2025, made statutory changes to Sections 455(a), 455(d), 455(e), 455(g), and 455(q) that impact borrower eligibility, terms and conditions, and borrowers' rights and responsibilities for Direct PLUS Loans received on or after July 1, 2026.

The new regulations directly impact the Direct PLUS Loan Request. Namely, the regulations modify the annual and aggregate loan limits for Direct PLUS Loans for parent borrowers and eliminate a graduate or professional student's eligibility for new PLUS loans as of July 1, 2026.

Ross Santy,

Chief Data Officer, Office of Planning, Evaluation and Policy Development.
