The USPTO uses an attorney rate of \$550 per hour, which is the average billing rate for intellectual property work in all firms as shown in the *2025 Report of the Economic Survey* published by the American Intellectual Property Law Association (AIPLA).¹ The hourly rate for paraprofessionals/paralegals is estimated at \$134 as shown in the *2024 Utilization and Compensation Survey* published by the National Association of Legal Assistants (NALA).² The USPTO derives the *pro se* wage rate from the mean hourly wage (\$62.13) for physical scientists according to the data from the Bureau of Labor Statistics (BLS).³

The combined average of these respondent rates is \$248.71. Using this blended hourly rate, the USPTO estimates that the total respondent cost burden for this information collection is \$2,072,500 per year.

Estimated Total Annual Respondent Non-hourly Cost Burden: \$0. Each specific request for clearance under this generic information collection will detail estimates for cost burden. Typically, there will be no non-hourly cost burden on the public.

IV. Request for Comments

The USPTO is soliciting public comments to:

(a) Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility;

(b) Evaluate the accuracy of the Agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(c) Enhance the quality, utility, and clarity of the information to be collected; and

(d) Minimize the burden of the collection of information on those who

intend to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

All comments submitted in response to this notice are a matter of public record. The USPTO will include or summarize each comment in the request to OMB to approve this information collection. Before including an address, phone number, email address, or other personally identifiable information (PII) in a comment, be advised that the entire comment—including PII—may be made publicly available at any time. While one may request in a comment to withhold PII from public view, the USPTO cannot guarantee that it will be able to do so.

On August 4, 2026 (91 FR 50812) the Commission proposed a product for PL addition (91 FR 50812). The Commission received one public comment with the commenter suggesting the Commission should confirm the proposed addition has been evaluated for employment potential for individuals who are blind or have a significant disability including workplace accommodations, quality and types of employment, and career advancement opportunities. The respective central nonprofit agency is responsible for identifying opportunities for employment, evaluating the qualifications of nonprofit agencies to perform a requirement, and distributing orders among qualified nonprofit agencies. See 41 U.S.C. 8503(c); 41 CFR 51–3.2(b),(f); Commission Policy 51.301 (May 1, 2025). After the CNA proposes a product or service for PL addition, the Commission reviews the proposal against the suitability criteria at 41 CFR 51–2.4, which also includes qualifications of the performing nonprofit agency and the employment potential of the proposed addition. Having determined all of the suitability criteria were satisfied, the Commission proposed addition of this product to the PL.

The Committee finds good cause to dispense with the 30-day delay in the effective date normally required by the Administrative Procedure Act. See 5 U.S.C. 553(d). This addition to the Committee's Procurement List is effectuated because of the expiration of the DEPT OF THE AIR FORCE, FA5000 673 CONS LGC, JBER, AK, Housekeeping Services—Custodial, USAF, Joint Base Elmendorf-Richardson AK contract. The Federal customer contacted and has worked diligently with the AbilityOne Program to fulfill this service need under the AbilityOne Program. To avoid performance disruption, and the possibility that the DEPT OF THE AIR FORCE will refer its business elsewhere, this addition must be effective on October 1, 2026, ensuring timely execution for a October 1, 2026 start date. The Committee published an initial notice of proposed Procurement List addition in the **Federal Register** on August 20, 2026 (91 FR 53850) but did not receive any comments. This addition will not create a public hardship and has limited effect on the public at large. Rather, this addition will create new jobs for other affected parties—people with significant disabilities in the AbilityOne program who otherwise face challenges locating employment. Moreover, this addition enables the Federal customer to continue operations without interruption.

Title of Collection: Federal Direct PLUS Loan Request for Supplemental Information.

OMB Control Number: 1845-0103.

Type of Review: Revision of a currently approved ICR.

Respondents/Affected Public: Individuals or Households.

Total Estimated Number of Annual Responses: 1,379,766.

Total Estimated Number of Annual Burden Hours: 689,883.

Abstract: The Federal Direct PLUS Loan Request for Supplemental Information serves as the means by which a parent applicant may provide certain information to a school that will assist the school in originating the borrower's Direct PLUS Loan award, as an alternative to providing this information to the school by other means established by the school. This is a request for a revision of the currently approved form.

The One Big Beautiful Bill Act (OBBBA) signed into law on July 4, 2025, made statutory changes to Sections 455(a), 455(d), 455(e), 455(g), and 455(q) that impact borrower eligibility, terms and conditions, and borrowers' rights and responsibilities for Direct PLUS Loans received on or after July 1, 2026.

The new regulations directly impact the Direct PLUS Loan Request. Namely, the regulations modify the annual and aggregate loan limits for Direct PLUS Loans for parent borrowers and eliminate a graduate or professional student's eligibility for new PLUS loans as of July 1, 2026.

Ross Santy,

Chief Data Officer, Office of Planning, Evaluation and Policy Development.
