Submission for OMB Review; Comment Request

AGENCY: Department of the Navy, Department of Defense (DoD).

ACTION: 30-Day information collection notice.

SUMMARY: The Department of Defense (referred to herein as “the Department”, “Department of War” or “DoW”) has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

DATES: Consideration will be given to all comments received by October 26, 2026.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: United States Naval Academy Sponsor Program; OMB Control Number 0703-0054.

Type of Request: Reinstatement.

Number of Respondents: 800.

Responses per Respondent: 1.

Annual Responses: 800.

Average Burden per Response: 1 hour.

Annual Burden Hours: 800.

Needs and Uses: The United States Naval Academy (USNA) Plebe Sponsor Program is a unique program offered through the Naval Academy that pairs midshipmen with faculty, staff, and local community area families to provide local support and a “home away from home” for midshipmen that is mutually beneficial to both the midshipman and the sponsor. This information collection is needed to determine the eligibility and overall compatibility between sponsor applicants and fourth-class midshipmen at USNA. In their first year, midshipmen desiring to participate in the program are assigned to sponsors from the local community area. An analysis of the information collected is performed by the Sponsor Program Officer in Charge to best match sponsor with a midshipman. Without this information collection, the sponsor program would not be able to determine if a sponsor family was “safe” to place a midshipman with nor appropriately match the interests of the midshipman with those of the sponsor family.

Affected Public: Individuals or households.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

DoD Clearance Officer: Mr. Reginald Lucas.

Dated: September 21, 2026.

ACTION: Notice of a modified system of records.

SUMMARY: In accordance with the Privacy Act of 1974, the DoD is modifying and reissuing a current system of records titled, “DON Child

Lastly, the DoD is also modifying additional sections to improve clarity and reflect changes.

DATES: This system of records is effective upon publication; however, comments on the routine uses will be accepted on or before October 26, 2026.
