Submission for OMB Review; Comment Request

AGENCY: Department of the Navy, Department of Defense (DoD).

ACTION: 30-Day information collection notice.

SUMMARY: The Department of Defense (referred to herein as “the Department”, “Department of War” or “DoW”) has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

DATES: Consideration will be given to all comments received by October 26, 2026.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: United States Naval Academy Sponsor Program; OMB Control Number 0703-0054.

Type of Request: Reinstatement.

Number of Respondents: 800.

Responses per Respondent: 1.

Annual Responses: 800.

Average Burden per Response: 1 hour.

Annual Burden Hours: 800.

Needs and Uses: The United States Naval Academy (USNA) Plebe Sponsor Program is a unique program offered through the Naval Academy that pairs midshipmen with faculty, staff, and local community area families to provide local support and a “home away from home” for midshipmen that is mutually beneficial to both the midshipman and the sponsor. This information collection is needed to determine the eligibility and overall compatibility between sponsor applicants and fourth-class midshipmen at USNA. In their first year, midshipmen desiring to participate in the program are assigned to sponsors from the local community area. An analysis of the information collected is performed by the Sponsor Program Officer in Charge to best match sponsor with a midshipman. Without this information collection, the sponsor program would not be able to determine if a sponsor family was “safe” to place a midshipman with nor appropriately match the interests of the midshipman with those of the sponsor family.

Affected Public: Individuals or households.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

Privacy Act of 1974; System of Records

AGENCY: Department of Navy, Department of Defense (DoD).

ACTION: Notice of a modified system of records.

SUMMARY: In accordance with the Privacy Act of 1974, the DoD is modifying and reissuing a current system of records titled, “DON Child

and Youth Program,” NM01754-3. This system of records was originally established to verify children’s health and immunization status, determine program eligibility for children and families, and support childcare programs designed to meet their needs. This system of records notice (SORN) is being updated to align with current cybersecurity policies, guidelines, and regulations. These updates include incorporating the DoD standard routine uses (A through J) and expanding the information collection authority and purpose. These changes ensure the Navy and Marine Corps Child and Youth Program can maintain accurate family and staff records for reporting. Lastly, the DoD is also modifying additional sections to improve clarity and reflect changes.

DATES: This system of records is effective upon publication; however, comments on the routine uses will be accepted on or before October 26, 2026. The Routine Uses are effective at the close of the comment period, unless comments have been received from interested members of the public that require modification and republication of the notice.

ADDRESSES: You may submit comments, identified by docket number and title, by either of the following methods:

Federal Rulemaking Portal: <https://www.regulations.gov>. Follow the instructions for submitting comments.

Mail: Department of Defense, Office of the Director of Administration and Management, Oversight and Compliance Directorate, Regulatory Division, 4800 Mark Center Drive, Attn: Mailbox 24, Suite 05F16, Alexandria, VA 22350-1700.

Instructions: All submissions received must include the agency name and docket number for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <https://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

SUPPLEMENTARY INFORMATION:

I. Background

The DON provides a comprehensive range of high-quality, affordable childcare and youth services for

dependents of eligible military and DoD civilian personnel. The program is designed to support the operational readiness of the force by ensuring that dependents are in a safe, healthy, and nurturing environment, thereby enabling service members and civilian employees to focus on their respective missions. Services are delivered through a variety of platforms, including Child Development Centers (CDCs), Family Child Care (FCC) homes, School-Age Care (SAC), and Youth Programs, which collectively cater to children from six weeks to eighteen years of age. The DON utilizes an online application and data management system to support the Child and Youth Program (CYP) mission. This system is essential to managing key programmatic functions, such as determining and verifying child and family for services, tracking health and immunization information to ensure the safety and well-being of all participants, and ensuring the program is responsive to the needs of the children and families it serves. Subject to public comment, the DoD proposes to update this SORN to add the standard DoD routine uses (routine uses A through J). Additionally, the following sections of this SORN are being modified: (1) the System Location section to reflect changes in the in the physical storage location of the system records; (2) the System Manager section to update the titles, contact information, and specific offices of the system managers; (3) the Authority Section to incorporate newly enacted statutory or regulatory authorities that authorize this system; (4) the Purpose section to expand the operational scope of the system; (5) the Categories of Individuals Covered by the System section to expand the individuals covered; (6) the Categories of Records to remove the SSN, and to clarify how the records relate to the revised Category of Individuals; (7) the Policies and Practice for Retrieval of Records eliminate the use of Social Security Numbers (SSNs) for record retrieval by transitioning to DoD ID and DoD Benefits numbers; (8) the Retention and Disposal section to reflect the approved disposition; (9) the Administrative, Technical, and Physical Safeguards to update the safeguards protecting personal information; (10) the Record Access Procedures section to identify the appropriate component to which a request for should be directed; (11) the Record Source Categories to clarify record sources, (12) the Contesting and the Notification Procedures sections to update the appropriate citation for notifications; and (13) the Exemption section to

update and clarify the specific regulatory language and statutory provisions that govern system exemptions.

DoD SORNs are published in the **Federal Register** and are available from the address in **FOR FURTHER INFORMATION CONTACT** or at the Oversight and Compliance Directorate, Privacy and Civil Liberties Division website at <https://pclt.defense.gov/DIRECTORATES/Privacy-and-Civil-Liberties-Directorate/Privacy/SORNs>.
