Comments

A 60-day Notice requesting public comment on this information collection was published in the **Federal Register** on June 25, 2026, at 91 FR 38408. The comment period ended August 24, 2026. Two public comments were received in response to that notice. Both supported consolidating the Progress Report Supplement questions into the Project Progress Report. One supported continuation of the Independent Living and Respite Survey while the other supported reviewing the survey to shorten it. AmeriCorps Seniors is reviewing the survey but seeks to continue using the existing survey in the meantime. The consolidation of the PRS into the PPR results in a 1,250 hour decrease in burden hours.

Title of Collection: AmeriCorps Seniors Application Instructions and Progress Reporting.

OMB Control Number: 3045–0035.

Type of Review: Revision.

Respondents/Affected Public:

Businesses and organizations, and State, local, or Tribal governments.

Total Estimated Number of Annual Responses: 1,250.

Total Estimated Number of Annual Burden Hours: 5,000.

Abstract: The AmeriCorps Seniors Grant Application is used by prospective and existing sponsors of AmeriCorps Seniors projects under the AmeriCorps Seniors RSVP (RSVP), AmeriCorps Seniors Foster Grandparent Program (FGP), AmeriCorps Seniors Senior Companion Program (SCP), and AmeriCorps Seniors Senior Demonstration Program (SDP). The Project Progress Report (PPR) and Progress Report Supplement are currently used to report progress toward accomplishing work plan goals and objectives, reporting volunteer and service outputs, reporting actual outcomes related to self-nominated performance measures, meeting challenges encountered, describing significant activities, and requesting technical assistance. This revision eliminates the Progress Report Supplement and incorporate some of the Supplement questions into the PPR instead. The Application Instructions

and PPR forms in this package conform to AmeriCorps’ web-based electronic grants management system. The SCP Independent Living Survey and SCP Respite Survey are instruments that collect information from Senior Companion clients and caregivers. The purpose of the surveys is to allow SCP projects to measure the impact of independent living and respite services on clients’ and caregivers’ social ties and perceived social support. These surveys may also be used by RSVP projects that provide independent living and respite services. AmeriCorps also seeks to continue using the currently approved information collection until the revised information collection is approved by OMB. The currently approved information collection is due to expire on September 30, 2026.

John Leverston,

Acting Director, AmeriCorps Seniors.
