SUPPLEMENTARY INFORMATION:

Authority: The CAFTA—DR; Section 203(o)(4) of the Dominican Republic-Central America-United States Free Trade Agreement Implementation Act (“CAFTA—DR Implementation Act”), Public Law 109–53; the Statement of Administrative Action accompanying the CAFTA—DR Implementation Act; and Presidential Proclamation 7987 (February 28, 2006).

Background: The CAFTA—DR provides a list in Annex 3.25 for fabrics, yarns, and fibers that the Parties to the CAFTA—DR have determined are not available in commercial quantities in a timely manner in the territory of any Party. The CAFTA—DR provides that this list may be modified pursuant to Article 3.25.4, when the United States determines that a fabric, yarn, or fiber is not available in commercial quantities in a timely manner in the territory of any Party. See Annex 3.25 of the CAFTA—DR; see also section 203(o)(4)(C) of the CAFTA—DR Implementation Act.

The CAFTA—DR Implementation Act requires the President to establish procedures governing the submission of a request and providing opportunity for

interested entities to submit comments and supporting evidence before a commercial availability determination is made. In Presidential Proclamation 7987, the President delegated to CITA the authority under section 203(o)(4) of CAFTA—DR Implementation Act for modifying the Annex 3.25 list. Pursuant to this authority, on September 15, 2008, CITA published modified procedures it would follow in considering requests to modify the Annex 3.25 list of products determined to be not commercially available in the territory of any Party to the CAFTA—DR (*Modifications to Procedures for Considering Requests Under the Commercial Availability Provision of the Dominican Republic-Central America-United States Free Trade Agreement*, 73 FR 53200) (“CITA’s Procedures”).

On August 14, 2026, CITA received a Commercial Availability Request (“Request”) from BK House LLC for certain polyester/viscose dyed twill lining fabric, as specified below. On August 18, 2026, in accordance with CITA’s Procedures, CITA notified interested parties of the Request, which was posted on the dedicated website for CAFTA—DR Commercial Availability proceedings. No interested entity submitted a Response to the Request advising CITA of its objection to the Request with an offer to supply the subject product.

In accordance with section 203(o)(4)(C) of the CAFTA—DR Implementation Act, and section 8(c)(2) of CITA’s Procedures, as no interested entity submitted a Response objecting to the Request and providing an offer to supply the subject product, CITA has determined to add the specified fabric to the list in Annex 3.25 of the CAFTA—DR.

The subject product has been added to the list in Annex 3.25 of the CAFTA—DR Agreement in unrestricted quantities. A revised list has been posted on the dedicated website for CAFTA—DR Commercial Availability proceedings, at <https://otexaprod.trade.gov/otexacapublicsite/shortsupply/cafta>.

Comments

A 60-day Notice requesting public comment on this information collection was published in the **Federal Register** on June 25, 2026, at 91 FR 38408. The comment period ended August 24, 2026. Two public comments were received in response to that notice. Both supported consolidating the Progress Report Supplement questions into the Project Progress Report. One supported continuation of the Independent Living and Respite Survey while the other supported reviewing the survey to shorten it. AmeriCorps Seniors is reviewing the survey but seeks to continue using the existing survey in the meantime. The consolidation of the PRS into the PPR results in a 1,250 hour decrease in burden hours.

Title of Collection: AmeriCorps Seniors Application Instructions and Progress Reporting.

OMB Control Number: 3045–0035.

Type of Review: Revision.

Respondents/Affected Public:

Businesses and organizations, and State, local, or Tribal governments.

Total Estimated Number of Annual Responses: 1,250.

Total Estimated Number of Annual Burden Hours: 5,000.

Abstract: The AmeriCorps Seniors Grant Application is used by prospective and existing sponsors of AmeriCorps Seniors projects under the AmeriCorps Seniors RSVP (RSVP), AmeriCorps Seniors Foster Grandparent Program (FGP), AmeriCorps Seniors Senior Companion Program (SCP), and AmeriCorps Seniors Senior Demonstration Program (SDP). The Project Progress Report (PPR) and Progress Report Supplement are currently used to report progress toward accomplishing work plan goals and objectives, reporting volunteer and service outputs, reporting actual outcomes related to self-nominated performance measures, meeting challenges encountered, describing significant activities, and requesting technical assistance. This revision eliminates the Progress Report Supplement and incorporate some of the Supplement questions into the PPR instead. The Application Instructions

and PPR forms in this package conform to AmeriCorps’ web-based electronic grants management system. The SCP Independent Living Survey and SCP Respite Survey are instruments that collect information from Senior Companion clients and caregivers. The purpose of the surveys is to allow SCP projects to measure the impact of independent living and respite services on clients’ and caregivers’ social ties and perceived social support. These surveys may also be used by RSVP projects that provide independent living and respite services. AmeriCorps also seeks to continue using the currently approved information collection until the revised information collection is approved by OMB. The currently approved information collection is due to expire on September 30, 2026.

John Leverston,

Acting Director, AmeriCorps Seniors.
