DEPARTMENT OF EDUCATION

[Docket No.: ED–2026–SCC–2509]

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Campus Safety and Security Survey

AGENCY: Office of Postsecondary Education (OPE), Department of Education (ED).

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act (PRA) of 1995, the Department is proposing a revision of a currently approved information collection request (ICR).

DATES: Interested persons are invited to submit comments on or before October 26, 2026.

ADDRESSES: Written comments and recommendations for proposed information collection requests should be submitted within 30 days of publication of this notice. Click on this link www.reginfo.gov/public/do/PRAMain to access the site. Find this information collection request (ICR) by selecting “Department of Education” under “Currently Under Review,” then check the “Only Show ICR for Public Comment” checkbox. *Reginfo.gov* provides two links to view documents related to this information collection request. Information collection forms and instructions may be found by clicking on the “View Information Collection (IC) List” link. Supporting statements and other supporting documentation may be found by clicking on the “View Supporting Statement and Other Documents” link.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Amy Wilson, (202) 987–1318.

SUPPLEMENTARY INFORMATION: The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Campus Safety and Security Survey.

OMB Control Number: 1840–0833.

Type of Review: Revision of a currently approved ICR.

Respondents/Affected Public: State, Local, and Tribal Governments; Private Sector.

Total Estimated Number of Annual Responses: 5,784.

Total Estimated Number of Annual Burden Hours: 2,604.

Abstract: The collection of information through the Campus Safety and Security Survey (CSS) is necessary under section 485 of the Higher Education Act of 1965, as amended, with the goal of increasing transparency surrounding college safety and security information for students, prospective students, parents, employees and the general public. The survey is a collection tool to compile the annual data on campus crime and fire safety. The data collected from the individual institutions by the Department of Education (ED) is made available to the public through the Campus Safety and Security Data Analysis and Cutting Tool as well as the College Navigator.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP26–564–000]

Natural Gas Pipeline of America, LLC; Horizon Pipeline Company, LLC; Notice of Scoping Period Requesting Comments on Environmental Issues for the Proposed North Extension Project

The staff of the Federal Energy Regulatory Commission (FERC or Commission) will prepare an environmental document that will discuss the environmental effects of the North Extension Project involving construction and operation of facilities by Natural Gas Pipeline of America, LLC (Natural) and Horizon Pipeline Company, LLC (Horizon) in Grundy, McHenry, Lake, Livingston and Will Counties, Illinois and Kenosha County, Wisconsin. The Commission will use this environmental document in its decision-making process to determine whether the project is in the public convenience and necessity.

This notice announces the opening of the scoping process the Commission will use to gather input from the public and interested agencies regarding the project. As part of the National Environmental Policy Act (NEPA) review process, the Commission takes into account concerns the public may have about proposals and the environmental impacts that could result from its action whenever it considers the issuance of a Certificate of Public Convenience and Necessity. This gathering of public input is referred to as “scoping.” The main goal of the scoping process is to focus the analysis in the environmental document on the important environmental issues. Additional information about the Commission’s NEPA process is described below in the *NEPA Process and Environmental Document* section of this notice.

By this notice, the Commission requests public comments on the scope of issues to address in the environmental document. To ensure that your comments are timely and properly recorded, please submit your
