ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

Information in this system is safeguarded in accordance with applicable laws, rules, and policies. Access to the records is restricted to authorized personnel who are advised of the confidentiality of the records and the civil and criminal penalties for misuse. All record keepers are required to maintain appropriate administrative, technical, and physical safeguards to protect the records from unauthorized access. Administrative safeguards include background checks, as well as training individuals who have access to the records on how to handle them appropriately, incident response plans, mandatory security and privacy awareness training, limiting access to individuals who need to know the information, and reviewing security controls on an ongoing basis. Technical safeguards include the use of antivirus software, vulnerability patching, multi-factor authentication when required, or username and password, and storing electronic records in encrypted form, to limit system access to authorized users. Physical safeguards include storing hard copy records and computer terminals used to access electronic records in physically locked locations when not in use. Safeguards conform to the HHS Information Security Program, <https://>

hhs.gov/ocio/securityprivacy/index.html.

RECORD ACCESS PROCEDURES:

An individual may request access to a record about him or her in this system of records by submitting a written access request to the System Manager or electronically through the HHS Online FOIA/PA Public Access Link at foia.gov. The request must include, as applicable, the individual's name, Alien Registration Number, date and place of birth, telephone number and/or email address, current address, and signature. In addition, to further verify the individual's identity, the individual must provide either a notarization of the request or a written certification that the requester is the individual who the requester claims to be and understands that the knowing and willful request for, or acquisition of, a record pertaining to an individual under false pretenses is a criminal offense under the Privacy Act, subject to a fine of up to \$5,000. An individual may also request an accounting of disclosures that have been made of any records about that individual. Verification of identity is also required for a parent or legal guardian who makes a request on behalf of a minor (in addition to verifying the minor's identity).

CONTESTING RECORD PROCEDURES:

An individual seeking to amend a record about him or her in this system of records must submit a written request for amendment to the System Manager. The request must provide the same information described under "Record Access Procedures," including identity verification information, and must specify the information that is contested, the corrective action sought, and the reason(s) for requesting the correction, and include supporting information. The right to contest records is limited to information that is factually inaccurate, incomplete, irrelevant, or untimely (obsolete).

NOTIFICATION PROCEDURES:

An individual seeking to determine whether this system of records contains information about him or her must submit a written notification request to the System Manager. The request must include the same information described under "Record Access Procedures," including identity verification information.

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

Submission for OMB Review; 30-Day Comment Request;

Generic Clearance for the Collection of Customer Participation and Performance Management With NIH Programs, Processes, Products, and Services (National Institutes of Health) **AGENCY:** National Institutes of Health, HHS.

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the National Institutes of Health (NIH) has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below.

DATES: Comments regarding this information collection are best assured of having their full effect if received by October 28, 2026.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT: To obtain a copy of the data collection plans and instruments, submit comments in writing, or request more information on the proposed project, contact: Mikia Currie, Chief, Project Clearance Branch (PCB), Office of Policy and Extramural Research

Administration (OPERA), Office of the Director (OD), Office of Extramural Research (OER), NIH, 6705 Rockledge Drive, Bethesda, Maryland 20892, MSC 7980, or call non-toll-free number (301) 435-0941 or Email your request, including your address to: ProjectClearanceBranch@mail.nih.gov. Formal requests for additional plans and instruments must be requested in writing.

SUPPLEMENTARY INFORMATION: This proposed information collection was previously published in the **Federal Register** on July 8, 2026, page 42204 (Vol. 91, No. 129) and allowed 60 days for public comment. No public comments were received. The purpose of this notice is to allow an additional 30 days for public comment. The National Institutes of Health (NIH), may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

In compliance with Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Institutes of Health (NIH) has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below.

Proposed Collection Title: Generic Clearance for the Collection of Customer Participation and Performance Management with NIH Programs, Processes, Products, and Services (NIH), 0925-0778; Expiration Date 09/30/2026, Revision, National Institutes of Health (NIH).

Need and Use of Information Collection: This revision of a currently approved generic clearance is to comply with the Administrations goals and priorities to continue evaluating the effectiveness of leadership, programs, and services is essential for the vitality of any institution. Leadership review at NIH focuses on the productivity of the IC, management of resources and budget

allocations, training activities, and influence on dimensions of promotion of investigators and staff and a positive workforce.

Program and service reviews may focus on operational performance; outputs, outcomes, and impacts; policy compliance, stewardship and accessibility. Reviews and evaluations may solicit input from IC staff and leadership (IC Director, Deputy Director, E.O.) and relevant program participants and stakeholders about the program's effectiveness, leader, or process. They may include comparisons with other ICs or programs, external benchmarks, and outcome metrics where appropriate and applicable. This input should provide meaningful information that can be used to identify strengths and areas that need improvement. Reports developed from the review or evaluation may be presented and shared as needed by the program when necessary. Such reports may include recommendations and proposed actions to address areas for improvement. In public or broadly shared reports, any sensitive information in the reviews or evaluations will be summarized and presented in aggregate.

This clearance will allow direct assessment and measurement of the customer/respondent base for participation in and satisfaction with NIH programs, processes, products, and services. The clearance will also enable offices to assess participants' experience and accomplishments during or since participation and their preferences for existing and future programming, products, and services. The information collected using these tools informs and supports budgeting, program management and design, program planning, results reporting, information dissemination, process improvement, and outreach initiatives.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden hours are 3,833.
