

6. Improving physician workforce databases, including identifying problems and recommending solutions related to physician supply, distribution, and postgraduate training in the United States.

Additionally, the authorizing legislation calls for the Council to support groups providing GME to voluntarily achieve COGME's recommendations, as specified in item 5, above. The Council also develops, publishes, and implements performance measures for programs under its purview; develops and publishes guidelines for longitudinal evaluations; and recommends funding levels for these programs, except those authorized under Parts C and D of the Title VII of the Public Health Service Act.

Not less than every 5 years, the Council shall submit to the Secretary; the Committee on Health, Education, Labor and Pensions of the Senate; and the Committee on Energy and Commerce of the House of Representatives a report on the recommendations described in the Description of Duties section of this Charter.

The charter renewal for COGME was approved on September 8, 2026. The filing date is September 30, 2026. Recharter of COGME gives authorization for the council to operate until September 30, 2028.

A copy of the COGME charter is available on the COGME website at: <https://www.hrsa.gov/advisory-committees/graduate-medical-edu>. A copy of the charter can also be obtained by accessing the FACA database that is maintained by the Committee Management Secretariat under the General Services Administration. The website address for the FACA database is: <http://www.facadatabase.gov/>.

Maria G. Button,

Director, Executive Secretariat.

BILLING CODE 4165–15–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Notice of Supplemental Award; Maternal Health Research Collaborative for Minority-Serving Institutions Coordinating

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services

ACTION: Notice of supplemental award.

SUMMARY: HRSA is announcing a supplemental award to Morgan State University (MSU), a current HRSA awardee for the Maternal Health Research Collaborative for Minority

Serving Institutions (MH–RC–MSI) Coordinating Center (CC). HRSA administers this grant using funding made available by the Department of Health and Human Services' Assistant Secretary for Planning and Evaluation's Patient-Centered Outcomes Research Trust Fund. The Assistant Secretary for Planning and Evaluation's Patient-Centered Outcomes Research Trust Fund supports this multi-agency data linkage project to build further data capacity. The recipient of the MH–RC–MSI CC, MSU, does not need to submit special documentation to establish eligibility. If this exception is not granted, MSU will not have the funds to test the data linkage.

FOR FURTHER INFORMATION CONTACT:

Evva Assing-Murray, Senior Health Scientist, Division of Research, Office of Epidemiology and Research, Maternal and Child Health Bureau, HRSA, at eassing-murray@hrsa.gov and 301–594–4113.

SUPPLEMENTARY INFORMATION:

Intended Recipient of the Award: Morgan State University.

Amount of Non-Competitive Award: One award for \$400,000.

Project Period: September 30, 2023, to September 29, 2028.

Assistance Listing Number: 93.110.

Award Instrument: Non-competitive single-source supplement.

Authority: 26 U.S.C. 9511(d)(2)(C).

TABLE 1—RECIPIENT(S) AND AWARD AMOUNT(S)

Grant No.	Award recipient name	City, state	Award amount
UR5MC50340	Morgan State University	Baltimore, MD	\$400,000.

Justification: The project, *Linking the Boston Birth Cohort and Pregnancy to Early Life Longitudinal Data System and Community-Level Health Databases: A Longitudinal Cohort of Mother-Child Dyads*, will create a dataset with a broad array of data on biological, socio-economic, home and neighborhood environment, behavioral risk and protective factors, health services and expenses across the developmental and life stages. In addition, this project intends to make this novel dataset shareable to other researchers.

This supplement will support testing the dataset, its user-friendliness, and the sharing process.

The MH–RC–MSI CC is uniquely qualified to test and validate the data linkage and sharing process through use cases and research studies because:

- They have the current infrastructure and connections with 16 HRSA funded

MH–RC–MSI Research Centers to ensure coordinated testing and validation;

- They support numerous early-stage investigators through a mentorship program who can use the dataset to conduct research projects on maternal health; and

- They have a record of successfully managing HRSA's Maternal and Child Health Bureau-funded projects that examine a broad range of adverse maternal health outcomes since 2023 and have consistently met goals and objectives.

These data linkage activities run from September 2025 to July 2027, during years 3 through 4 of the 5-year Minority-Serving Institutions project period. Not making the award would preclude

testing of the data linkage as described in the project proposal.

Thomas J. Engels,
Administrator.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

Center for Scientific Review; Notice of Closed Meeting

Pursuant to section 1009 of the Federal Advisory Committee Act, as amended, notice is hereby given of the following meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections

552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: Center for Scientific Review Special Emphasis Panel—PAR-25-153: Assay Development and Screening for Discovery of Chemical Probes, Drugs or Immunomodulators.

Date: October 23, 2026.

Time: 10:00 a.m. to 6:00 p.m.

Agenda: To review and evaluate grant applications.

Address: National Institutes of Health, Rockledge II, 6701 Rockledge Drive, Bethesda, MD 20892.

Meeting Format: Virtual Meeting.

Contact Person: Alireza Seyed Alavi, Ph.D., Scientific Review Officer, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Bethesda, MD 20892, (301) 480-4108, ali.alavi@nih.gov.

National Institute of Neurological Disorders and Stroke; Notice of Closed Meeting

Pursuant to section 1009 of the Federal Advisory Committee Act, as amended, notice is hereby given of a meeting of the Board of Scientific Counselors, National Institute of Neurological Disorders and Stroke.

The meeting will be closed to the public as indicated below in accordance with the provisions set forth in section 552b(c)(6), Title 5 U.S.C., as amended for the review, discussion, and evaluation of individual intramural programs and projects conducted by the National Institute of Neurological Disorders and Stroke, including consideration of personnel qualifications and performance, and the competence of individual investigators, the disclosure of which would

constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: Board of Scientific Counselors, National Institute of Neurological Disorders and Stroke.

Date: May 10-11, 2027.

Time: May 10, 2027, 9:00 a.m. to 9:00 p.m.

Agenda: To review and evaluate personnel qualifications and performance, and competence of individual investigators.

Address: National Institute of Neurological Disorders and Stroke, National Institutes of Health, Porter Neuroscience Research Center, Building 35A, 35 Convent Drive, Room GF-149, Bethesda, MD 20892.

Meeting Format: Virtual Meeting.

Time: May 11, 2027, 10:00 a.m. to 3:00 p.m.

Agenda: To review and evaluate personnel qualifications and performance, and competence of individual investigators.

Address: National Institute of Neurological Disorders and Stroke, National Institutes of Health, Porter Neuroscience Research Center, Building 35A, 35 Convent Drive, Room GF-149, Bethesda, MD 20892.

Meeting Format: Virtual Meeting.

Contact Person: Jeffrey S. Diamond, Ph.D., Acting Scientific Director, c/o Caren Collins, Program Analyst, Division of Intramural Research, NINDS, Office of the Scientific Director, National Institute of Neurological Disorders and Stroke, National Institutes of Health, Porter Neuroscience Research Center, Building 35A, 35 Convent Drive, Room GF-149, Bethesda, MD 20892, 301-435-1896, diamondj@ninds.nih.gov; collinsca@ninds.nih.gov.

Any interested person may file written comments with the committee by forwarding the statement to the Contact Person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person.
