Notice of Intended Repatriation: Los Angeles County Museum of Natural History, Los Angeles, CA

AGENCY: National Park Service, Interior.
ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Los Angeles County Museum of Natural History (LACMNH) intends to repatriate certain cultural items that meet the definition of objects of cultural patrimony and that have a cultural affiliation with the Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the cultural items in this notice may occur on or after October 30, 2026.

ADDRESSES: Send additional, written requests for repatriation of the cultural items in this notice to Amy E. Gusick, NAGPRA Officer, Los Angeles County Museum of Natural History, 900 Exposition Boulevard, Los Angeles, CA 90007, email agusick@nhm.org.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the LACMNH, and additional information on the determinations in this notice, including the results of consultation, can be found in the summary or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

A total of three cultural items have been requested for repatriation. The three objects of cultural patrimony are two ceramic cooking pots and one ceramic olla. The three ceramic vessels originated from Cactus Flats, an area northeast of Big Bear City in San Bernardino County, California. In 1932, the ceramic vessels were donated to the museum by Paul Raynor. No further information regarding the donor or the collector of the cultural items is known. Original accession records described two of the vessels as, “two globular cooking pots much blackened by fire; small flared rims.” The third vessel is described as, “olla, natural pinkish buff color, with vertical designs in red paint, consisting of polka dots and U-shaped motifs.”

Determinations

The LACMNH has determined that:

- The three objects of cultural patrimony described in this notice have ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision), according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization.

- There is a connection between the cultural items described in this notice and the Morongo Band of Mission Indians, California and the Yuhaaviatam of San Manuel Nation (previously listed as San Manuel Band of Mission Indians, California).

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after October 30, 2026. If competing requests for repatriation are received, the LACMNH must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. The LACMNH is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3004 and the implementing regulations, 43 CFR 10.9.
