Abstract of Information Available

Human remains representing, at least, two individuals have been identified (UBS 1990–06B). No associated funerary objects are present. Partial remains were transferred from the Fellow-Reeve Museum at Friends University in Wichita, KS to KSHS under the state UBS act on March 20, 1990. The remains are said to be from the second “Battle of Adobe Walls,” which took place in Hutchinson County, TX in 1874. It is unclear how these remains arrived in KS. There appears to be varnish on the skull, however, to our knowledge there

are no hazardous substances present on the remains.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains described in this notice.

Determinations

- The human remains described in this notice represent the physical remains of two individuals of Native American ancestry.
- There is a connection between the human remains described in this notice and the Cheyenne and Arapaho Tribes, Oklahoma; Kaw Nation, Oklahoma; and the Kiowa Tribe (previously listed as Kiowa Indian Tribe of Oklahoma).
