Abstract: More than 100 national parks contract with private businesses to provide lodging, food, tours, boating, whitewater rafting, and other visitor services. These concessions generate over \$1 billion annually and support more than 25,000 peak-season jobs.

Regulations at 36 CFR part 51 implement Title IV of the National Parks Omnibus Management Act of 1998 (54 U.S.C. 101911 *et seq.*), which establishes the authority and requirements for soliciting, awarding, and administering NPS concession contracts. The law requires the Secretary of the Interior to award contracts through a competitive selection process to the best-qualified offeror, with simplified procedures for small, individually owned concessions.

For this purpose of this submission, we are requesting an extension of the currently approved forms associated with the evaluation and administration of NPS concessions proposals and contracts.

Concessioner Annual Financial Reports are used to verify franchise fee calculations, evaluate a concessioner's financial performance, and monitor compliance with contractual requirements.

- Form 10–356 Concessioner Annual Financial Report
- Form 10–356A Concessioner Annual Financial Report (For Concessioners with Gross Receipts Less than \$500,000)
- Form 10–356B Concessioner Annual Financial Report (Special Accounts and Utility Add-ons)

Forms for Concession Opportunity Proposals are used to objectively review and evaluate proposals, compare offerors, and identify the proposal best suited for long term, sustainable concession operations.

- Forms 10–357A and 10–357B (Business Organization Information)
- Form 10–358 (Business History Information)
- Forms 10–359A and 10–359B (Financial Projections—Large and Small Concessions)

Additional narrative submissions that allow the NPS to evaluate proposals and administer concession contracts include credit reports and financial statement, Offeror's Transmittal Letter, Certificate of Business Entity Offeror, appeals, capital improvement requests, construction reports, applications to sell or transfer operations, and recordkeeping documentation.

Title of Collection: National Park Service Concessions, 36 CFR 51.
