Notice of Intended Repatriation: Los Angeles County Museum of Natural History, Los Angeles, CA

AGENCY: National Park Service, Interior.
ACTION: Notice.

SUMMARY: In accordance with the Native
American Graves Protection and
Repatriation Act (NAGPRA), the Los
Angeles County Museum of Natural
History (LACMNH) intends to repatriate
certain cultural items that meet the
definition of objects of cultural
patrimony and that have a cultural
affiliation with the Indian Tribes or
Native Hawaiian organizations in this
notice.

DATES: Repatriation of the cultural items
in this notice may occur on or after
October 30, 2026.

ADDRESSES: Send additional, written
requests for repatriation of the cultural
items in this notice to Amy E. Gusick,
NAGPRA Officer, Los Angeles County
Museum of Natural History, 900
Exposition Boulevard, Los Angeles, CA
90007, email agusick@nhm.org.

SUPPLEMENTARY INFORMATION: This
notice is published as part of the
National Park Service's administrative
responsibilities under NAGPRA. The
determinations in this notice are the
sole responsibility of the LACMNH, and
additional information on the
determinations in this notice, including
the results of consultation, can be found
in the summary or related records. The
National Park Service is not responsible
for the determinations in this notice.

Abstract of Information Available

A total of three cultural items have
been requested for repatriation. The
three objects of cultural patrimony are
two ceramic cooking pots and one
ceramic olla. The three ceramic vessels
originated from Cactus Flats, an area
northeast of Big Bear City in San
Bernardino County, California. In 1932,
the ceramic vessels were donated to the
museum by Paul Raynor. No further
information regarding the donor or the
collector of the cultural items is known.
Original accession records described
two of the vessels as, “two globular
cooking pots much blackened by fire;
small flared rims.” The third vessel is
described as, “olla, natural pinkish buff
color, with vertical designs in red paint,
consisting of polka dots and U-shaped
motifs.”

Determinations

The LACMNH has determined that:

- The three objects of cultural
patrimony described in this notice have
ongoing historical, traditional, or
cultural importance central to the
Native American group, including any
constituent sub-group (such as a band,
clan, lineage, ceremonial society, or
other subdivision), according to the
Native American traditional knowledge
of an Indian Tribe or Native Hawaiian
organization.

- There is a connection between the
cultural items described in this notice
and the Morongo Band of Mission
Indians, California and the Yuhaaviatam
of San Manuel Nation (previously listed
as San Manuel Band of Mission Indians,
California).

Requests for Repatriation

Additional, written requests for
repatriation of the cultural items in this
notice must be sent to the authorized
representative identified in this notice
under **ADDRESSES**. Requests for
repatriation may be submitted by any
lineal descendant, Indian Tribe, or
Native Hawaiian organization not
identified in this notice who shows, by
a preponderance of the evidence, that
the requestor is a lineal descendant or
a culturally affiliated Indian Tribe or
Native Hawaiian organization.

Repatriation of the cultural items in
this notice to a requestor may occur on
or after October 30, 2026. If competing
requests for repatriation are received,
the LACMNH must determine the most
appropriate requestor prior to
repatriation. Requests for joint
repatriation of the cultural items are
considered a single request and not
competing requests. The LACMNH is
responsible for sending a copy of this
notice to the Indian Tribes and Native
Hawaiian organizations identified in
this notice and to any other consulting
parties.
