Notice of Extension of the Deadline for Determining the Adequacy of the Antidumping and Countervailing Duty Petitions: Certain Corrugated Die-Cut Cardboard Boxes From the People's Republic of China, Malaysia, and the Republic of Türkiye

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable September 29, 2026.

FOR FURTHER INFORMATION CONTACT: Mira Warrier at (202) 482–8031 (the People's Republic of China (China)); Anne Entz at (202) 482–3845 (Malaysia); Howard Smith at (202) 482–5193 (the Republic of Türkiye (Türkiye AD)); and Danielle Buffa at (202) 482–8021 (Türkiye CVD), AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

Extension of Initiation of Investigations

The Petitions

On September 9, 2026, the U.S. Department of Commerce (Commerce) received antidumping duty (AD) and countervailing duty (CVD) petitions on imports of certain corrugated die-cut cardboard boxes (corrugated die-cut boxes) from China, Malaysia, and Türkiye filed in proper form on behalf of the American Pizza Boxes Manufacturers Coalition¹ and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union (collectively, the petitioners), the members of which are domestic producers of corrugated die-cut boxes and a certified union, which represents workers engaged in the production of corrugated die-cut boxes in the United States.²

Determination of Industry Support for the Petitions

Sections 702(b)(1) and 732(b)(1) of the Tariff Act of 1930, as amended (the Act), require that a petition be filed by or on behalf of the domestic industry. To determine that the petition has been filed by or on behalf of the industry,

¹ The members of the American Pizza Boxes Manufacturers Coalition are Smurfit Westrock plc and Pratt Industries, Inc.

² See Petitioners' Letter, "Petition for the Imposition of Antidumping and Countervailing Duties," dated September 9, 2026 (Petitions).

sections 702(c)(4)(A) and 732(c)(4)(A) of the Act require that the domestic producers or workers who support the petition account for: (i) at least 25 percent of the total production of the domestic like product; and (ii) more than 50 percent of the production of the domestic like product produced by that portion of the industry expressing support for, or opposition to, the petition. Moreover, sections 702(c)(4)(D) and 732(c)(4)(D) of the Act provide that, if the petition does not establish support of domestic producers or workers accounting for more than 50 percent of the total production of the domestic like product, Commerce shall: (i) poll the industry or rely on other information in order to determine if there is support for the petition, as required by subparagraph (A); or (ii) if there is a large number of producers, determine industry support using a statistically valid sampling method to poll the industry.

Extension of Time

Sections 702(c)(1)(A) and 732(c)(1)(A) of the Act provide that within 20 days of the filing of an AD or CVD petition, Commerce will determine, *inter alia*, whether the petition has been filed by or on behalf of the U.S. industry producing the domestic like product. Sections 702(c)(1)(B) and 732(c)(1)(B) of the Act provide that the deadline for the initiation determination, in exceptional circumstances, may be extended by 20 days in any case in which Commerce must “poll or otherwise determine support for the petition by the industry.” Because it is not clear from the Petitions whether the industry support criteria have been met, Commerce has determined it should extend the time period for determining whether to initiate the AD and CVD investigations in order to further examine the issue of industry support.

Commerce will need additional time to gather and analyze additional information regarding industry support. Therefore, it is necessary to extend the deadline for determining the adequacy of the Petitions by an additional 20 days. As a result, in accordance with sections 702(c)(1)(B) and 732(c)(1)(B) of the Act, Commerce’s initiation determinations will now be due no later than October 19, 2026.

International Trade Commission Notification

Commerce will contact the U.S. International Trade Commission (ITC) and will make this extension notice available to the ITC.

Dated: September 29, 2026.
