

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposal will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change to enable the Exchange to agree to alternative payment instructions for the Exchange's direct debit collection process would apply equally to all Members and Member applicants as the opportunity to request that the Exchange agree to alternative payment instructions will be available to any such Member or Member applicants and the Exchange's ability to agree to such alternative payment instructions would be exercised uniformly on an objective basis. The Exchange does not believe such proposed changes would impair the ability of Members or Member applicants or competing order execution venues to maintain their competitive standing in the financial markets, and therefore, the Exchange does not believe the proposal will impose any burden on intermarket competition. Moreover, because the proposed changes would apply equally to all Members and Member applicants, the Exchange does not believe the proposal would impose any burden on intramarket competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁸

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the

Act⁹ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)¹⁰ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requested that the Commission waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange states that it plans to launch its Market Maker program on October 1, 2026, and waiver of the operative delay would permit a market participant that may wish to request an option to provide alternative payment instructions pursuant to the proposed rule change to participate in the launch of that program. In addition, the Exchange's proposed rule is substantially similar to the rules of other national securities exchanges.¹¹ For these reasons, and because the proposed rule change raises no new or novel legal or regulatory issues, the Commission finds that waiver of the operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission waives the 30-day operative delay and designates the proposed rule change to be operative upon filing.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or would otherwise further the purposes of the Act.

IV. Solicitation of Comments

The Exchange has satisfied this requirement.

publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to make conforming changes to Rules General 8 and Options 7 Section 7 to reflect the name change of "Nasdaq BX, Inc." to "Nasdaq Texas, LLC".

The text of the proposed rule change is available on the Exchange's website at <https://listingcenter.nasdaq.com/rulebook/mrx/rulefilings>, and at the principal office of the Exchange.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to make conforming changes to Rules General 8 (Connectivity) and Options 7 Section 7 (Market Data) to reflect the name change of "Nasdaq BX, Inc." to "Nasdaq Texas, LLC".

Background and Proposed Rule Change

The Exchange's affiliate Nasdaq BX, Inc. ("Nasdaq BX") recently converted from a corporation organized under the laws of the state of Delaware to a limited liability company ("LLC") organized under the laws of the state of Texas and changed its name to "Nasdaq Texas, LLC".³ The Exchange accordingly proposes conforming changes to its rules to reflect its affiliate's name change. Specifically, the Exchange proposes to replace one reference to "Nasdaq BX, Inc." in Rule General 8 with "Nasdaq Texas, LLC". Similarly, the Exchange proposes replacing one reference to "Nasdaq BX, Inc." in

Options 7 Section 7 with "Nasdaq Texas, LLC".

The proposed changes are conforming and non-substantive in nature.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁵ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, because ensuring that the Exchange's rules accurately reflect the correct name of the Exchange's affiliate would contribute to the orderly operation of the Exchange by adding clarity and transparency. In addition, the proposed amendments would reduce potential investor and market participant confusion and therefore remove impediments to and perfect the mechanism of a free and open market and a national market system by ensuring that investors and market participants can more easily navigate, understand and comply with the Exchange's rules. The Exchange also believes that the proposed amendments remove impediments to and perfects the mechanism of a free and open market by ensuring that persons subject to the Exchange's jurisdiction, regulators, and the investing public can more easily navigate and understand the Exchange's rules. The proposed amendments would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from the increased transparency and clarity, thereby reducing potential confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with updating the Exchange's rules to reflect its affiliate's name change.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁶ and Rule 19b-4(f)(6) thereunder.⁷

A proposed rule change filed under Rule 19b-4(f)(6)⁸ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),⁹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. Waiver of the operative delay would allow the Exchange to immediately update its rulebook to reflect the name change of "Nasdaq BX, Inc." to "Nasdaq Texas, LLC." The Commission believes that the proposed rule change presents no novel issues and that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.¹⁰

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if

The Exchange has satisfied this requirement.

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to make conforming changes to Rules General 8 (Connectivity) and Options 7 Section 6 (Connectivity Fees) to reflect the name change of "Nasdaq BX, Inc." to "Nasdaq Texas, LLC".

Background and Proposed Rule Change

The Exchange's affiliate Nasdaq BX, Inc.
