

determine if reservoirs are being depleted in a manner that will lead to the greatest ultimate recovery of hydrocarbons. This information is collected to determine the capability of hydrocarbon wells and to evaluate and verify an operator's approved maximum production rate if assigned. The form was designed to present current well data on a semiannual basis to permit the updating of permissible producing rates, and to provide the basis for estimates of currently remaining recoverable gas reserves. The form requires, in either fill in the blanks or check marks:

- General information about the well;
- Volumes;
- Choke size;
- Pressures;
- Production method;
- API oil/condensate gravity; and
- Date of test.

Title of Collection: 30 CFR part 250, subpart K, Oil and Gas Production Requirements.

OMB Control Number: 1014-0019.

Form Number: BSEE-0126—Well Potential Test Report, and BSEE-0128—Semiannual Well Test Report.

Type of Review: Extension without change of a currently approved collection.

Respondents/Affected Public: Potential respondents include Federal OCS oil, gas, and sulfur lessees and/or operators and holders of pipeline rights-of-way.

Total Estimated Number of Annual Respondents: Currently there are approximately 60 Oil and Gas Drilling and Production Operators in the OCS. Not all the potential respondents will submit information in any given year, and some may submit multiple times.

Total Estimated Number of Annual Responses: 6,021.

Estimated Completion Time per Response: Varies from 1 hour to 100 hours, depending on activity.

Total Estimated Number of Annual Burden Hours: 37,750.

Respondent's Obligation: Most responses are mandatory, while others are required to obtain or retain benefits.

Frequency of Collection: On occasion, weekly, monthly, semi-annual, annual, and varies by section.

Total Estimated Annual Nonhour Burden Cost: \$1,067,544.

An agency may not conduct, or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

Submission to the Office of Management and Budget for Review and Approval; Technical Evaluation Surveys; Agency Information Collection Activities: Technical Evaluation Surveys

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.

ACTION: Notice of information collection; request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, the Office of Surface Mining Reclamation and Enforcement (OSM) is proposing to renew an information collection.

DATES: Interested persons are invited to submit comments on or before November 4, 2026.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Once at that website, locate this particular information collection by selecting "Currently under Review—Open for Public Comments" or by using the search function. Please provide a copy of your comments to William Frankel, Office of Surface Mining Reclamation and Enforcement, 1849 C Street NW—Room 4512, Washington, DC 20240 or by email to wfrankel@osmre.gov. Please reference OMB Control Number 1029-0114 in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this Information Collection Request (ICR), contact William Frankel by email at wfrankel@osmre.gov, or by telephone at (202) 208-0121. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States

should use the relay services offered within their country to make international calls to the point-of-contact in the United States. You may also view the ICR at <http://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 *et seq.*, (PRA) and 5 CFR 1320.8(d)(1) and, as part of our continuing effort to reduce paperwork and respondent burdens, OSM provides the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. Public comment helps OSM assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand OSM's information collection requirements and provide the requested data in the desired format.

We published a **Federal Register** notice for this ICR with a 60-day public comment period soliciting comments on June 22, 2026 (91 FR 37139). No comments were received.

As part of our continuing effort to reduce paperwork and respondent burdens, we are again soliciting comments from the public and other Federal agencies on the proposed ICR that is described below. We are especially interested in public comment addressing the following:

(1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While

you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: A series of surveys are needed to ensure that technical assistance activities, technology transfer activities, and technical forums are useful for those who participate or receive the assistance. These surveys are the primary means through which OSM evaluates its performance in meeting the performance goals outlined in its annual plans developed pursuant to the Government Performance and Results Act (GPRA).

BILLING CODE 4310–05–P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–808 and 731–TA–1809 (Preliminary)]

Amine Compounds From China; Institution of Antidumping and Countervailing Duty Investigations and Scheduling of Preliminary Phase Investigations

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the institution of investigations

and commencement of preliminary phase antidumping and countervailing duty investigation Nos. 701–TA–808 and 731–TA–1809 (Preliminary) pursuant to the Tariff Act of 1930 to determine whether there is a reasonable indication that an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of imports of amine compounds from China, provided for in statistical reporting numbers 2909.11.00.00, 2921.29.00.55, 2922.19.96.90, and 2934.99.90.01 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value and alleged to be subsidized by the Government of China. Unless the Department of Commerce (“Commerce”) extends the time for initiation, the Commission must reach a preliminary determination in antidumping and countervailing duty investigations in 45 days, or in this case by November 13, 2026. The Commission’s views must be transmitted to Commerce within five business days thereafter, or by November 20, 2026.

DATES: September 29, 2026.

FOR FURTHER INFORMATION CONTACT:

Rachel Devenney ((202) 205–3172), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for these investigations may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—These investigations are being instituted, pursuant to sections 703(a) and 733(a) of the Tariff Act of 1930 (19 U.S.C. 1671b(a) and 1673b(a)), in response to a petition filed on September 29, 2026, by Evonik Corporation, Piscataway, New Jersey, and Huntsman International LLC, The Woodlands, Texas.

For further information concerning the conduct of these investigations and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B

(19 CFR part 201), and part 207, subparts A and B (19 CFR part 207).

Participation in the investigations and public service list.—Persons wishing to participate in the investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in §§ 201.11 and 207.10 of the Commission’s rules, not later than seven days after publication of this notice in the **Federal Register**. Industrial users and (if the merchandise under investigation is sold at the retail level) representative consumer organizations have the right to appear as parties in Commission antidumping duty and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to these investigations upon the expiration of the period for filing entries of appearance.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to § 207.7(a) of the Commission’s rules, the Secretary will make BPI gathered in these investigations available to authorized applicants representing interested parties (as defined in 19 U.S.C. 1677(9)) who are parties to the investigations under the APO issued in the investigations, provided that the application is made not later than seven days after the publication of this notice in the **Federal Register**. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Conference.—The Office of Investigations will hold a staff conference in connection with the preliminary phase of these investigations beginning at 9:30 a.m. on Tuesday, October 20, 2026. Requests to appear at the conference should be emailed to preliminaryconferences@usitc.gov (DO NOT FILE ON EDIS) on or before noon on Friday, October 16, 2026. Please provide an email address for each conference participant in the email. Information on conference procedures, format, and participation, including guidance for requests to appear as a witness via videoconference, will be available on the Commission’s Public Calendar (Calendar (USITC) | United States International Trade Commission). A nonparty who has testimony that may aid the Commission’s deliberations may request permission to participate by submitting a short statement.

Please note the Secretary’s Office will accept only electronic filings during this time. Filings must be made through the
