(Ditar) made sales of certain paper shopping bags (paper shopping bags) from Colombia at less than normal value (NV) during the period of review (POR), January 3, 2024, through June 30, 2025. We invite interested parties to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Background

On July 18, 2024, Commerce published in the **Federal Register** the antidumping duty order on paper shopping bags from Colombia.¹ On June 30, 2025, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the *Order*.² On August 22, 2025, based on timely requests for review, in

accordance with section 751(a)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the *Order* covering one company.³

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings 47 days.⁴ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁵ Between June and September, 2026, Commerce extended the deadline for issuing the preliminary results.⁶ The deadline for the preliminary results is now October 7, 2026.

For a complete description of the events that followed the initiation of the review, *see* the Preliminary Decision Memorandum.⁷ A list of topics included in the Preliminary Decision Memorandum is included in the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS, which is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/frnotices>.

Scope of the Order

The merchandise subject to the *Order* is paper shopping bags from Colombia. For a complete description of the scope, *see* the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Act and 19 CFR 351.213. Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum.

Preliminary Results of Review

We preliminarily determine the following weighted-average dumping margin exists for the period January 3, 2024, through June 30, 2025:

Exporter/producer	Weighted-average dumping margin (percent)
Ditar S.A	6.47

proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹⁰ All briefs must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety in ACCESS by 5:00 p.m. Eastern Time on the established deadline.

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹¹ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results of this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹²

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS within 30 days after the publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants, and whether any participant is a foreign national; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. If a hearing request is made, Commerce will inform parties of the scheduled date for the hearing.¹³

Assessment Rates

Upon completion of this administrative review, pursuant to section 751(a)(2)(A) of the Act, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise.

If the weighted-average dumping margin for Ditar (*i.e.*, the sole

individually-examined respondent in this review) is not zero or *de minimis* (*i.e.*, less than 0.50 percent) in the final results of this review, we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). If the respondent has not reported entered values, we will calculate a per-unit assessment rate for each importer by dividing the total amount of dumping calculated for the examined sales made to that importer by the total quantity associated with those sales. To determine whether an importer-specific, per-unit assessment rate is *de minimis*, in accordance with 19 CFR 351.106(c)(2), we also will calculate an importer-specific *ad valorem* ratio based on estimated entered values. Where either a respondent's weighted average dumping margin is zero or *de minimis*, or an importer-specific *ad valorem* assessment rate is zero or *de minimis*, we intend to instruct CBP to liquidate appropriate entries without regard to antidumping duties.¹⁴

For entries of subject merchandise during the POR produced by Ditar for which the producer did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate (*i.e.*, 11.16 percent) if there is no rate for the intermediate company(ies) involved in the transaction.¹⁵

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the

subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Ditar will be equal to the weighted-average dumping margin established in the final results of this administrative review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the producer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be the all-others rate of 11.16 percent.¹⁶ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), Commerce will issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their case briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Certain Paper Shopping Bags From Malaysia: Preliminary Results, Preliminary Determination of No Shipments and Rescission, in Part, of Antidumping Duty Administrative Review; 2024–2025

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that Hexachase Packaging Sdn. Bhd. (Hexachase) made sales of subject merchandise at less than normal value (NV) during the period of review (POR), January 3, 2024, through June 30, 2025. Commerce also preliminarily determines that Sin Boon Beng Printing Sdn. Bhd. (SBBP), made no shipments during the POR. Finally, we are rescinding the review with respect to two companies. Interested parties are invited to comment on these preliminary results of review.

DATES: Applicable October 7, 2026.

FOR FURTHER INFORMATION CONTACT: Sarah Keith or Nathan Depew, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0264 or (202) 482–5823.

SUPPLEMENTARY INFORMATION:

Background

On August 22, 2025, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the antidumping duty (AD) order on certain

paper shopping bags (shopping bags) from Malaysia.¹ On January 7, 2026, Commerce selected Hexachase and SBBP as the mandatory respondents in this review.²

Due to the lapse in appropriations and Federal Government shutdown on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.³ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁴ On June 2, 2026, we extended the preliminary results of this review to September 30, 2026.⁵ On September 25, 2026, we extended the preliminary results of this review to no later than October 5, 2026.⁶

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁷ A list of the topics discussed in the Preliminary Decision Memorandum is attached as appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS, which is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed at <https://access.trade.gov/frnotices>.

Scope of the Order

The merchandise subject to the *Order* is shopping bags. For a complete

description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Preliminary Determination of No Shipments

On February 2, 2026, we received a submission from SBBP certifying that it did not have sales, shipments, or exports of subject merchandise to the United States during the POR.⁸ On August 10, 2026, we requested the U.S. Customs and Border Protection (CBP) entry data of subject merchandise imported into the United States during the POR and exported by SBBP.⁹ We placed the data received from CBP on the record and invited parties to comment.¹⁰ On September 9, 2026, Novolex Holdings, LLC (the petitioner) submitted comments regarding the CBP data and SBBP's certifications of no shipments of subject merchandise during the POR.¹¹ On September 23, 2026, SBBP submitted rebuttal comments.¹²

Based on record information, we preliminarily determine that SBBP did not have knowledge that the subject merchandise was destined for the United States and, thus, SBBP is not considered the exporter of subject merchandise during the POR for the purposes of this review.¹³ Therefore, we preliminarily determine that SBBP made no shipments of subject merchandise during the POR. Consistent with Commerce's practice, we find that it is not appropriate to rescind the review with respect to SBBP, but rather to complete the review and issue appropriate instructions to CBP based on the final results of this review.¹⁴

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of an AD order where it concludes that there were no suspended entries of subject merchandise during the POR.¹⁵
