(4) For the investigation so instituted, the Chief Administrative Law Judge, U.S. International Trade Commission, shall designate the presiding Administrative Law Judge.

The Office of Unfair Import Investigations will not participate as a party in this investigation.

The Commission is interested in the development of a thorough record on domestic industry in this investigation to facilitate a holistic review of all relevant considerations. Accordingly, the presiding administrative law judge may wish to consider what information will be necessary to make a determination with respect to complainant's domestic industry allegations under subparagraphs (A), (B), and (C) of section 337(a)(3) based on an industry that exists and/or is in the process of being established; including the extent to which these allegations rely on expenditures made by third parties; and the extent to which expenditures are made outside the United States related to the domestic industry article(s) by any entity.

Responses to the complaint and the notice of investigation must be submitted by the named respondent in accordance with section 210.13 of the Commission's Rules of Practice and Procedure, 19 CFR 210.13. Pursuant to 19 CFR 201.16(e) and 210.13(a), such responses will be considered by the Commission if received not later than 20

days after the date of service by the Commission of the complaint and the notice of investigation. Extensions of time for submitting responses to the complaint and the notice of investigation will not be granted unless good cause therefor is shown.

Failure of the respondent to file a timely response to each allegation in the complaint and in this notice may be deemed to constitute a waiver of the right to appear and contest the allegations of the complaint and this notice, and to authorize the administrative law judge and the Commission, without further notice to the respondent, to find the facts to be as alleged in the complaint and this notice and to enter an initial determination and a final determination containing such findings, and may result in the issuance of an exclusion order or a cease and desist order or both directed against the respondent.

By order of the Commission.

[Investigation Nos. 701–TA–631 and 731–TA–1463–1464 (Review)]

Forged Steel Fittings From India and South Korea; Cancellation of Hearing for Antidumping and Countervailing Duty Reviews

AGENCY: United States International Trade Commission.

ACTION: Notice.

DATES: October 5, 2026.

FOR FURTHER INFORMATION CONTACT: Caitlyn Costello (202–205–2058), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired individuals are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for these investigations may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION: On June 2, 2026, the Commission established a schedule for the reviews of the subject antidumping and countervailing duty orders (91 FR 34248, June 5, 2026). On September 23, 2026, counsel for Bonney Forge Corporation and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union (collectively, "Domestic Interested Parties") filed a request that, inter alia, the Commission cancel the scheduled hearing for this proceeding and indicated a willingness to respond to any Commission questions in lieu of an actual hearing. On October 1, 2026, Domestic Interested Parties filed a conditional request to appear at the hearing if one occurred. No other parties submitted a request to appear at the hearing. On October 2, 2026, counsel for Domestic Interested Parties filed a request that the Commission cancel the hearing and reiterated their intent to respond to any questions posed by the Commission in lieu of a hearing. The Commission considers Domestic Interested Parties' letters of September 23, 2026 and October 2, 2026 to be a request under 19 CFR 201.12 to take action with respect to these investigations, and that cancellation is appropriate because a public hearing is not necessary to address the legal and factual issues these investigations present. Consequently, the Commission has cancelled the public hearing in connection with this proceeding, scheduled to begin at 9:30 a.m. on October 6, 2026. Parties to this proceeding should respond to any written questions posed by the Commission in their posthearing briefs, which are due to be filed on October 13, 2026.

For further information concerning this proceeding, see the Commission's notice cited above and the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Authority: This proceeding is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.21 of the Commission's rules.
