BILLING CODE 4164–01–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

National Heart, Lung, and Blood Institute; Notice of Meeting

Pursuant to section 1009 of the Federal Advisory Committee Act, as amended, notice is hereby given of a meeting of the Sickle Cell Disease Advisory Committee.

This will be a virtual meeting and will be open to the public as indicated below. Individuals who plan to view the virtual meeting and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Contact Person listed below in advance of the meeting.

Name of Committee: Sickle Cell Disease Advisory Committee.

Date: November 16, 2026.

Time: 12:00 p.m. to 4:00 p.m.

Agenda: Imaging and Clinical Impact on the Eye and Brain in Sickle Cell Disease.

Address: National Institutes of Health, 6705 Rockledge Drive, Bethesda, MD 20892.

Meeting Link: <https://videocast.nih.gov/watch/d8f60236-bb52-11f1-82c0-124f0a52e769>.

Meeting Format: Virtual Meeting.

Contact Person: Julie A. Panepinto, MD, MSPH, DFO/Executive Secretary SCDAC, Division of Blood Diseases and Resources, 31 Center Lane, Bethesda, MD 20892, (301) 435–0080, julie.panepinto@nih.gov.

Any member of the public interested in presenting oral comments to the committee may notify the Contact Person listed on this notice at least 10 days in advance of the meeting. Interested individuals and representatives of organizations may submit a letter of intent, a brief description of the organization represented, and a short description of the oral presentation. Only one representative of an organization may be allowed to present oral comments and if accepted by the committee, presentations may be limited to five minutes.

Both printed and electronic copies are requested for the record. In addition, any interested person may file written comments with the committee by forwarding their statement to the Contact Person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person.

Information is also available on the Institute's/Center's home page: www.nhlbi.nih.gov/meetings/index.htm, where an agenda and any additional information for the meeting will be posted when available.

Dated: October 5, 2026.

Rosalind M. Niamke,

Program Analyst, Office of Federal Advisory Committee Policy.

BILLING CODE 4167–05–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

National Institute of Neurological Disorders and Stroke; Notice of Meeting

Pursuant to section 1009 of the Federal Advisory Committee Act, as amended, notice is hereby given of a meeting of the Advisory Council on Parkinson's Research, Care, and Services (ACPRCS).

This is the third meeting of the ACPRCS, which was established by the Dr. Emmanuel Bilirakis and Honorable Jennifer Wexton National Plan to End Parkinson's Act of 2024 (Pub. L. 118–66). The Advisory Council is charged with providing advice to the Secretary of Health and Human Services (HHS) on Parkinson's-related issues. The meeting will focus on public-private partnerships (PPPs) that are working across the translational science spectrum to advance PDRD treatments and diagnostics.

The meeting is hybrid with options for in-person and virtual attendance—registration is required (see instructions below). Additionally, any member of the public can view the meeting via HHS Live Streaming: www.hhs.gov/live.

Name of Committee: Advisory Council on Parkinson's Research, Care, and Services (ACPRCS).

Date: November 9, 2026.

Time: 9:00 a.m. to 5:30 p.m.

Agenda: Presentations on public private partnerships focused on Parkinson's and related disorders; structured time for public comment; and discussion of next steps in developing recommendations for PDRD priorities.

Address: Hubert H. Humphrey Building, Department of Health and Human Services, 200 Independence Avenue SW, Washington, DC 20201.

Meeting Format: In Person and Virtual Meeting.

Cost: The meeting is free and open to the public.

Deadlines:

- Register by 11:59 p.m. ET, Friday, October 23rd.

- *Public Comment Due Date:* October 26th by 5:00 p.m. ET.

Contact Person: Jordan Gladman, Deputy Executive Officer, National Institute of Neurological Disorders and Stroke, Bethesda, MD 20892, nationalPDplan@nih.gov.

Public Attendance: Seating is limited. Names need to be put on a list of expected attendees and forwarded to the security officers at HHS. Any interested member of the public who is a non-U.S. citizen should include this information at the time of registration to ensure that the appropriate security procedure to gain entry to the building is carried out. Although the meeting is open to the public, procedures governing security and the entrance to federal buildings may change without notice. In the interest of security, NIH has procedures at <https://www.nih.gov/about-nih/visitor-information/campus-access-security> for entrance into on-campus and off-campus facilities. All visitor vehicles, including taxicabs, hotel, and airport shuttles will be inspected before being allowed on campus. Visitors attending a meeting on campus or at an off-campus federal facility will be asked to show one form of identification (for example, a government-issued photo ID, driver's license, or passport) and to state the purpose of their visit. Please note that individuals entering HHS owned, leased, or operated facilities must present a REAL ID compliant credential or another federally approved form of identification. Below is the list of acceptable forms of ID.

- State-issued Enhanced Driver's License
- U.S. passport
- U.S. passport card
- DHS trusted traveler cards (Global Entry, NEXUS, SENTRI, FAST)
- U.S. Department of Defense ID, including IDs issued to dependents
- Permanent resident card
- Border crossing card
- An acceptable photo ID issued by a federally recognized Tribal Nation/Indian Tribe, including Enhanced Tribal Cards (ETCs)
- HSPD–12 PIV card
- Foreign government-issued passport
- Canadian provincial driver's license or Indian and Northern Affairs Canada card
- Transportation worker identification credential
- U.S. Citizenship and Immigration Services Employment Authorization Card (I–766)
- U.S. Merchant Mariner Credential
- Veteran Health Identification Card (VHIC)

Meeting Registration: Registration is open to all members of the public.

Please register online by 11:59 p.m. ET, Friday, October 23rd using the following link: <https://mregs.nih.gov/channels/A5L3-21D2>.

Public Comments: The ACPRCS welcomes written and oral/virtual public comments and asks the public to review and adhere to its Public Comment Guidelines provided at <https://www.ninds.nih.gov/current-research/trans-agency-activities/national-plan-end-parkinsons-act/parkinsons-council>.

Submissions are accepted in writing via email addressed to NationalPDplan@nih.gov. Please include the phrase “public comment” in the subject line as well as the body of the message. A limited number of slots are available for individuals to provide a 2–3-minute oral summary or excerpt of their written comment to the Council during the meeting in person or via videoconference. For those interested in that opportunity, please indicate “Interested in providing oral/virtual comment” in your written submission, along with your name, email, and professional/organizational affiliation so that Council support staff can contact you if a slot is available. *Note that in order to provide oral public comment, requesters must register for the meeting using the instructions above.*

For any given meeting, comment slots will be assigned on a first-come, first-served basis, with priority given to individuals and organizations that have not previously provided comments. This will help ensure that as many individuals and organizations as possible have an opportunity to share comments. Commenters going over their allotted 3-minute slot may be asked to conclude immediately to allow other comments and the rest of the meeting to proceed on schedule.

Public comment submissions received by 5:00 p.m. ET on October 26th will be provided to the Council prior to the meeting for their consideration; all comments received after the deadline will be included in the next Council meeting’s materials. The Council is not able to respond individually to comments. All public comments become part of the public record. Attachments of copyrighted publications are not permitted, but web links or citations for any copyrighted works cited may be provided.

Technical issues: If you experience any technical problems with the webcast, please email nationalPDplan@nih.gov.

Disability Accommodations: All ACPRCS Full Council Meetings provide Closed Captioning through www.hhs.gov/live. Individuals whose

full participation in the meeting will require special accommodations (e.g., sign language or interpreting services) must submit a request to the Contact Person listed on the notice at least seven (7) business days prior to the meeting. Such requests should include a detailed description of the accommodation needed and a way for the ACPRCS to contact the requester if more information is needed to fill the request.

Meeting schedule subject to change.

More Information: More information about this meeting is available on the ACPRCS Events page: <https://www.ninds.nih.gov/news-events/events/november-2026-advisory-council-meeting-parkinsons-research-care-and-services>.

Dated: October 5, 2026.

Rosalind Niamke,

Program Analyst, Office of Federal Advisory Committee Policy.

BILLING CODE 4140–01–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities Comment Request

In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning opportunity for public comment on proposed collections of information, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the information collection plans, contact the SAMHSA Clearance Office at samhsaprn@samhsa.hhs.gov.

Comments are invited on: (a) whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: National Substance Use and Mental Health Services Survey (N–SUMHSS) (OMB No. 0930–0386)—Revision of a Currently Approved Collection

Under Section 505 of the Public Health Service Act (42 U.S.C. 290aa–4), SAMHSA is required to conduct annual collection of data on substance use and mental health. Selected information collected from the N–SUMHSS is also published on SAMHSA’s

FindTreatment.gov for persons seeking treatment for mental and substance use disorders in the United States.

FindTreatment.gov is authorized by the 21st Century Cures Act (Pub. L. 114–255, Section 9006; 42 U.S.C. 290bb–36d).

In 2021, SAMHSA combined the National Survey of Substance Abuse Treatment Services (N–SSATS) and the National Mental Health Services Survey (N–MHSS) into the N–SUMHSS to reduce the burden on facilities offering both substance use and mental health services, optimize government resources to collect data, and enhance the quality of data collected on the treatment facilities.

The N–SUMHSS is the most comprehensive national source of data on substance use and mental health treatment facilities. On an annual basis, the N–SUMHSS collects information on the facility location, characteristics, and utilization of substance use and mental health treatment services. The survey also collects client counts on individuals receiving services at these facilities. There is an increasing need to collect and maintain data on current and accurate numbers of clients in treatment at the local level for communities to assess capacity and estimate resource requirements. This information on substance use and mental health services has assisted communities to better respond to life changing events, (i.e., hurricane) and plan for service demands in the event of a natural disaster (i.e., earthquakes).

SAMHSA also maintains the Inventory of Substance Use and Mental Health Treatment Facilities (I–TF) (previously known as the Inventory of Behavioral Health Services [I–BHS]). The I–TF is a master list of all known substance use and mental health treatment facilities in the United States, and serves as the frame for the N–SUMHSS. SAMHSA is requesting OMB approval of revisions to the N–SUMHSS and I–TF related data collections, to include changes to the following instruments:
