Abstract of Information Available

Human remains representing at least two individuals have been identified from the site in West Sacramento, identified as YOL-S103, which is possibly CA-YOL-27 (UCD Accession 461). There is a total of four associated funerary objects (one of which is currently missing). The three present associated funerary objects are two mammal bones and one bone awl. The one lot of currently missing associated funerary objects is one lot of unidentified missing material. The human remains and cultural items were collected by Bill Pritchard in 1964. The cultural affiliation is with the Patwin, Miwok, and Nisenan Tribes: Buena Vista Rancheria of Me-Wuk Indians of California; Cachil DeHe Band of Wintun Indians of the Colusa Indian Community of the Colusa Rancheria, California; California Valley Miwok Tribe, California; Ione Band of Miwok Indians of California; Jackson Band of Me-Wuk Indians; Kletsel Dehe Wintun Nation of the Cortina Rancheria (previously listed as Kletsel Dehe Band of Wintun Indians); Shingle Springs Band of Miwok Indians, Shingle Springs Rancheria (Verona Tract), California; United Auburn Indian Community of the Auburn Rancheria of California; Wilton Rancheria, California; and the Yocha Dehe Wintun Nation, California. The University is unaware of any treatment of the associated funerary objects with pesticides, preservatives, or other substances that represent a potential hazard to the objects or to persons handling the objects.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains and associated funerary objects described in this notice.

Determinations

UC Davis has determined that:

- The human remains described in this notice represent the physical remains of two individuals of Native American ancestry.
- The four objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of

death or later as part of the death rite or ceremony.

- There is a connection between the human remains and associated funerary objects described in this notice and the Buena Vista Rancheria of Me-Wuk Indians of California; Cachil DeHe Band of Wintun Indians of the Colusa Indian Community of the Colusa Rancheria, California; California Valley Miwok Tribe, California; Ione Band of Miwok Indians of California; Jackson Band of Me-Wuk Indians; Kletsel Dehe Wintun Nation of the Cortina Rancheria (previously listed as Kletsel Dehe Band of Wintun Indians); Shingle Springs Band of Miwok Indians, Shingle Springs Rancheria (Verona Tract), California; United Auburn Indian Community of the Auburn Rancheria of California; Wilton Rancheria, California; and the Yocha Dehe Wintun Nation, California.

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after November 9, 2026. If competing requests for repatriation are received, UC Davis must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. UC Davis is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.
