INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–1408]

Certain Hydrodermabrasion Systems and Components Thereof; Notice of Vacatur of the Commission's Final Determination and Mootness of the Investigation by the Federal Circuit Due to Patent Expiration

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission's ("Commission") final determination in the above-captioned investigation has been vacated by the U.S. Court of Appeals for the Federal Circuit ("Federal Circuit") and the investigation is terminated as moot as ordered by the Federal Circuit. The investigation was previously terminated on March 23, 2026.

FOR FURTHER INFORMATION CONTACT: Jonathan D. Link, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–3103. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>.

Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: On July 17, 2024, the Commission instituted this investigation based on a complaint filed on behalf of HydraFacial LLC, f/k/a Edge Systems LLC, of Long Beach, California ("HydraFacial"). 89 FR 58188–89 (July 17, 2024). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 ("section 337"), based on the importation into the United States, the sale for importation, or sale within the United States after importation of certain hydrodermabrasion systems and components thereof by reason of the infringement of certain claims of U.S. Patent No. 11,865,287 patent ("the '287 patent"). *Id.* The complaint further alleges that an industry in the United States exists as required by section 337. *Id.* The Commission's notice of investigation named as respondents Cartessa Aesthetics, LLC ("Cartessa") of Melville, New York; and Eunsung Global Corp. of Republic of Korea. *Id.* The Office of Unfair Import Investigations is not participating in this investigation. *Id.*

On January 21, 2025, the Commission terminated the investigation as to Eunsung based on a consent order. Order No. 19 (Dec. 19, 2024), *unreviewed by Comm'n* Notice (Jan. 21, 2025).

On March 23, 2026, the Commission terminated the investigation with a final determination finding a violation of the asserted claims of the '287 patent under section 337 by Cartessa. 91 FR 14713–714 (Mar. 26, 2026). However, the Commission suspended enforcement of any remedial orders because the '287 patent would expire on March 29, 2026, during the 60-day period of Presidential review. *Id.* Respondent appealed the Commission's final determination to the Federal Circuit.

While the appeal was pending, the '287 patent expired, and pursuant to their terms, the remedial orders are no longer in effect. Cartessa moved to dismiss the appeal as moot and vacate the Commission opinion. The Commission did not oppose. HydraFacial did not oppose dismissal but opposed vacating the Commission opinion.

On July 23, 2026, the Federal Circuit issued an order vacating the Commission's final determination and remanding the investigation to the Commission with instructions to "dismiss the investigation as moot."

Cartessa Aesthetics, LLC v. United States Int'l Trade Commission, Appeal Nos. 26–1582, 26–1881 (Fed. Cir. July 23, 2026). The Federal Circuit issued the mandate on September 15, 2026.

Because the present investigation was previously terminated, the Commission confirms via this notice that Investigation No. 337–TA–1408 is terminated as moot. The Commission's final determination was vacated per the Federal Circuit's order. *Id.*

The Commission vote for this determination took place on October 3, 2026.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR Part 210).

By order of the Commission.

Issued: October 2, 2026.

Lisa Barton,
Secretary to the Commission.

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of full reviews pursuant to the Tariff Act of 1930 to determine whether revocation of the countervailing duty orders on phosphate fertilizers from Morocco and Russia would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. The Commission has determined to exercise its authority to extend the review period by up to 90 days.

DATES: October 6, 2026.

FOR FURTHER INFORMATION CONTACT: Stamen Borisson ((202) 205–3125), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for these reviews may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On June 5, 2026, the Commission determined that responses to its notice of institution of the subject five-year reviews were such that full reviews should proceed (91 FR 36612, June 17, 2026); accordingly, full reviews are being scheduled pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)). A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements are available from the Office of the Secretary and at the Commission's website.

Participation in the reviews and public service list.—Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in these reviews as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, by 45 days after publication of this notice. A party that filed a notice of appearance following publication of the Commission's notice of institution of the reviews need not file an additional notice of appearance. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI

gathered in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made by 45 days after publication of this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the reviews. A party granted access to BPI following publication of the Commission's notice of institution of the reviews need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the reviews will be placed in the nonpublic record on March 15, 2027, and a public version will be issued thereafter, pursuant to section 207.64 of the Commission's rules.

Hearing.—The Commission will hold an in-person hearing in connection with the reviews beginning at 9:30 a.m. on April 1, 2027. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before 5:15 p.m. on Thursday, March 25, 2027. Any requests to appear as a witness via videoconference must be included with your request to appear. Requests to appear via videoconference must include a statement explaining why the witness cannot appear in person; the Chairman, or other person designated to conduct the reviews, may in their discretion for good cause shown, grant such a request. Requests to appear as remote witness due to illness or a positive COVID–19 test result may be submitted by 3 p.m. the business day prior to the hearing. Further information about participation in the hearing will be posted on the Commission's website at <https://www.usitc.gov/calendarpad/calendar.html>.

A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference, if deemed necessary, to be held at 9:30 a.m. on Friday, March 26, 2027. Parties shall file and serve written testimony and presentation slides in connection with their presentation at the hearing by no later than noon on March 31, 2027. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 business days prior to the date of the hearing.

Written submissions.—Each party to the reviews may submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.65 of the Commission's rules; the deadline for filing is 5:15 p.m. on March 24, 2027. Parties shall also file written testimony in connection with their presentation at the hearing, and posthearing briefs, which must conform with the provisions of section 207.67 of the Commission's rules. The deadline for filing posthearing briefs is 5:15 p.m. on April 8, 2027. In addition, any person who has not entered an appearance as a party to the reviews may submit a written statement of information pertinent to the subject of the reviews on or before 5:15 p.m. on April 8, 2027. On April 27, 2027, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before 5:15 p.m. on April 29, 2027, but such final comments must not contain new factual information and must otherwise comply with section 207.68 of the Commission's rules. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

The Commission has determined that these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

By order of the Commission.

Issued: October 6, 2026.

Secretary to the Commission.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on January 2, 2026, based on a complaint filed by Netlist, Inc. ("Netlist" or "Complainant") of Irvine, California. 91 FR 155-56 (Jan. 2, 2026). The complaint, as supplemented, alleges violations of section 337 of the

Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain dynamic random access memory (DRAM) devices, products containing the same, and components thereof by reason of infringement of certain claims of U.S. Patent Nos. 12,373,366 ("the '366 patent"); 10,025,731 ("the '731 patent"); 10,268,608 ("the '608 patent"); 10,217,523 ("the '523 patent"); the '035 patent; and 12,308,087 ("the '087 patent"). *Id.* The complaint further alleges that a domestic industry exists or is in the process of being established. *Id.* The Commission's notice of investigation named as respondents: (1) Samsung Electronics Co., Ltd. of Suwon, Republic of Korea; Samsung Electronics America, Inc. of Plano, Texas; and Samsung Semiconductor, Inc. of Plano, Texas (collectively, "Samsung"); (2) Google LLC ("Google") of Mountain View, California; and (3) Super Micro Computer, Inc. ("SMC") of San Jose, California (collectively, "Respondents"). *Id.* The Office of Unfair Import Investigations ("OUII") is also participating in the investigation. *Id.*

On August 24, 2026, the Commission partially terminated the investigation as to all asserted claims of the '035 patent, claims 2 and 3 of the '608 patent, claims 11 and 15 of the '366 patent, claims 7-9 and 12-16 of the '731 patent, claims 17 and 18 of the '523 patent, and claims 5, 7, 17, 20, 22, and 23 of the '087 patent based on withdrawal of the complaint allegations as to those claims. *See* Order No. 29 (July 23, 2026), *unreviewed by Comm'n Notice* (Aug. 24, 2026).

On August 18, 2026, Netlist and Samsung (collectively, "the Settling Parties") filed a joint motion ("Mot.") to terminate the investigation as to all Respondents based on settlement. The motion notes that agreements between the Settling parties ("Agreements") "completely resolve the dispute between the Settling Parties in this Investigation, as well as between Netlist and any remaining Respondents who receive their accused products from the Samsung Respondents." Mot. at 2. The motion also indicates that Google and SMC do not oppose the motion. *Id.* at 5. On August 27, 2026, OUII filed a response in support of the motion.

On September 4, 2026, the ALJ issued the subject ID (Order No. 31) granting the motion to terminate pursuant to Commission Rule 210.21(b)(1) (19 CFR 210.21(b)(1)). The ID notes that the motion includes confidential and public versions of the Agreements as well as a statement that "there are no other agreements, written or oral, express or

implied, between the Settling Parties concerning the subject matter of this Investigation." ID at 2-3. The ID also notes that "the public interest favors settlement to avoid unnecessary litigation and to conserve public and private resources." *Id.* at 3. The ID concludes that the motion complies with Commission Rule 210.21(b)(1). *Id.* at 4. The ALJ also granted the Settling Parties' request to limit service of the Agreements. *Id.*

No party filed a petition for review of the subject ID.

The Commission has determined not to review the subject ID (Order No. 31). The investigation is terminated.

The Commission's vote for this determination took place on October 6, 2026.
