FOR FURTHER INFORMATION CONTACT:

Copies of the submission may be obtained by contacting Dacia Rogers at (703) 518–6547. You may also view the entire information collection request at www.reginfo.gov. Enhanced content is also available from the Notice on the **Federal Register** website (www.federalregister.gov). In addition, copies of the Call Report Form and Instructions can be obtained at the NCUA's website (<https://ncua.gov/regulation-supervision/regulatory-reporting/cuonline>).

SUPPLEMENTARY INFORMATION: The NCUA is proposing a revision of the NCUA Form 5300 Call Report and Instructions.

OMB Number: 3133–0004.

Title: NCUA Form 5300 Call Report.

Type of Review: Revision of a currently approved collection.

Abstract: Sections 106 and 202 of the Federal Credit Union Act require federally insured credit unions (FICUs) to make financial and other reports to the NCUA. Section 741.5 describes the submission method FICUs must use to provide information to NCUA. NCUA Form 5300, Call Report, is used to file quarterly financial and statistical data through NCUA's online portal, CUOnline. The financial and statistical information provided by credit unions is essential to NCUA in carrying out its responsibility for supervising federal credit unions. This information facilitates NCUA monitoring credit unions with share accounts insured by the National Credit Union Share Insurance Fund (Share Insurance Fund).

Affected Public: Private sector: Not-for-profit institutions.

Respondents: All federally insured credit unions.

Estimated Number of Respondents: 4,224.

Estimated Average Burden per Response: 47.0 hours.

Estimated Total Annual Burden Hours: 794,112.

Reason for Change: The estimated average burden per response increased based on recent feedback received from the public.

The proposed revisions to Form 5300 and Instructions in this notice would

not have a material impact on the existing burden estimates. The estimated average burden per response figure was updated based on feedback received from the *Request for Information Regarding Enhancing and Streamlining Data Collection from Credit Unions* issued to the public in April 2026.

Legal Basis and Need for Collections: The Call Report Form 5300 information collections are mandatory under 12 U.S.C. 1756, 1766, and 1782. Except for selecting sensitive items, the Call Report Form 5300 is not given confidential treatment.

The credit unions report on the Call Report is essential to the NCUA's supervision and regulation of federal credit unions. This information also facilitates the NCUA's monitoring of other credit unions with Share Insurance Fund coverage for share accounts.

Credit unions submit quarterly Call Report data to the NCUA. Call Report data serves a regulatory or public policy purpose by assisting the NCUA in fulfilling its mission of ensuring the safety and soundness of individual credit unions and the credit union system, protecting consumer financial rights, as well as agency-specific missions affecting federal and state-chartered credit unions, such as ensuring financial stability and administering share insurance.

Form 5300 Call Report—Proposed Changes

(3) Adding five new accounts for reporting direct exposure to PPSIs. This information will enhance NCUA's offsite supervision.

(4) Adding four new accounts for reporting payment stablecoins held on the credit union's balance sheet. This information will enhance NCUA's offsite supervision.
