Description of the need for the information and proposed use:
Grantees' completion of the Annual Report gives HUD the information needed to know who each grant is serving and what services participants receive with grant funds. The Summary Budget and Annual Program Budget together form the grantee's annual extension request, showing itemized anticipated costs and a matrix of budgeted yearly costs; including how matching funds, participant fees, and grant funds are combined to run the program. Field staff use this budget to approve annual extension funding

requests and to confirm grantees are meeting statutory and regulatory requirements. The Payment Voucher lets HUD monitor grant fund use for eligible activities over the grant term, and grantees can similarly use it to track and record payment reimbursement requests.
