**DEPARTMENT OF HOMELAND
 SECURITY**

**Federal Emergency Management
 Agency**

**[Docket ID FEMA-2026-0002; Internal
 Agency Docket No. FEMA-B-2622]**

**Proposed Flood Hazard
 Determinations**

AGENCY: Federal Emergency
 Management Agency, Department of
 Homeland Security.

ACTION: Notice.

SUMMARY: Comments are requested on
 proposed flood hazard determinations,
 which may include additions or
 modifications of any Base Flood
 Elevation (BFE), base flood depth,
 Special Flood Hazard Area (SFHA)
 boundary or zone designation, or
 regulatory floodway on the Flood
 Insurance Rate Maps (FIRMs), and
 where applicable, in the supporting
 Flood Insurance Study (FIS) reports for
 the communities listed in the table
 below. The purpose of this notice is to
 seek general information and comment
 regarding the preliminary FIRM, and
 where applicable, the FIS report that the
 Federal Emergency Management Agency
 (FEMA) has provided to the affected

communities. The FIRM and FIS report
 are the basis of the floodplain
 management measures that the
 community is required either to adopt
 or to show evidence of having in effect
 in order to qualify or remain qualified
 for participation in the National Flood
 Insurance Program (NFIP).

DATES: Comments are to be submitted
 on or before January 12, 2027.

ADDRESSES: The Preliminary FIRM, and
 where applicable, the FIS report for
 each community are available for
 inspection at both the online location
[https://hazards.fema.gov/femaportal/
 prelimdownload](https://hazards.fema.gov/femaportal/prelimdownload) and the respective
 Community Map Repository address
 listed in the tables below. Additionally,
 the current effective FIRM and FIS
 report for each community are
 accessible online through the FEMA
 Map Service Center at [https://
 msc.fema.gov](https://msc.fema.gov) for comparison.

You may submit comments, identified
 by Docket No. FEMA-B-2622, to David
 N. Bascom, Director, Engineering and
 Modeling Division, Federal Insurance
 Directorate, Resilience, FEMA, 400 C
 Street SW, Washington, DC 20472, or
 (email) david.bascom@fema.dhs.gov.

FOR FURTHER INFORMATION CONTACT:
 David N. Bascom, Director, Engineering
 and Modeling Division, Federal
 Insurance Directorate, Resilience,
 FEMA, 400 C Street SW, Washington,
 DC 20472, or (email) [david.bascom@
 fema.dhs.gov](mailto:david.bascom@fema.dhs.gov); or visit the FEMA

Mapping and Insurance eXchange
 (FMIX) online at [https://
 www.floodmaps.fema.gov/fhm/fmx_
 main.html](https://www.floodmaps.fema.gov/fhm/fmx_main.html).

SUPPLEMENTARY INFORMATION: FEMA
 proposes to make flood hazard
 determinations for each community
 listed below, in accordance with section
 110 of the Flood Disaster Protection Act
 of 1973, 42 U.S.C. 4104, and 44 CFR
 67.4(a).

These proposed flood hazard
 determinations, together with the
 floodplain management criteria required
 by 44 CFR 60.3, are the minimum that
 are required. They should not be
 construed to mean that the community
 must change any existing ordinances
 that are more stringent in their
 floodplain management requirements.
 The community may at any time enact
 stricter requirements of its own or
 pursuant to policies established by other
 Federal, State, or regional entities.
 These flood hazard determinations are
 used to meet the floodplain
 management requirements of the NFIP.

The communities affected by the
 flood hazard determinations are
 provided in the tables below. Any
 request for reconsideration of the
 revised flood hazard information shown
 on the Preliminary FIRM and FIS report
 that satisfies the data requirements
 outlined in 44 CFR 67.6(b) is considered
 an appeal. Comments unrelated to the
 flood hazard determinations also will be

considered before the FIRM and FIS report become effective.

Use of a Scientific Resolution Panel (SRP) is available to communities in support of the appeal resolution process. SRPs are independent panels of experts in hydrology, hydraulics, and other pertinent sciences established to review conflicting scientific and technical data and provide recommendations for resolution. Use of the SRP only may be exercised after FEMA and local communities have been engaged in a collaborative consultation process for at least 60 days without a mutually acceptable resolution of an

appeal. Additional information regarding the SRP process can be found online at https://www.floodsrp.org/pdfs/srp_overview.pdf.

The watersheds and/or communities affected are listed in the tables below. The Preliminary FIRM, and where applicable, FIS report for each community are available for inspection at both the online location <https://hazards.fema.gov/femaportal/prelimdownload> and the respective Community Map Repository address listed in the tables. For communities with multiple ongoing Preliminary studies, the studies can be identified by

the unique project number and Preliminary FIRM date listed in the tables. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

BILLING CODE 9110-12-P

DEPARTMENT OF HOMELAND SECURITY**Federal Emergency Management Agency**

[Docket ID FEMA-2026-0002]

Changes in Flood Hazard Determinations

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: Notice.

SUMMARY: New or modified Base (1-percent annual chance) Flood Elevations (BFEs), base flood depths, Special Flood Hazard Area (SFHA) boundaries or zone designations, and/or regulatory floodways (hereinafter referred to as flood hazard determinations) as shown on the indicated Letter of Map Revision (LOMR) for each of the communities listed in the table below are finalized. Each LOMR revises the Flood Insurance Rate Maps (FIRMs), and in some cases the Flood Insurance Study (FIS) reports, currently in effect for the listed communities.

DATES: Each LOMR was finalized as in the table below.

ADDRESSES: Each LOMR is available for inspection at both the respective Community Map Repository address listed in the table below and online

through the FEMA Map Service Center at <https://msc.fema.gov>.

FOR FURTHER INFORMATION CONTACT:

David N. Bascom, Director, Engineering and Modeling Division, Federal Insurance Directorate, Resilience, FEMA, 400 C Street SW, Washington, DC 20472, or (email) david.bascom@fema.dhs.gov; or visit the FEMA Mapping and Insurance eXchange (FMIX) online at https://www.floodmaps.fema.gov/fhm/fmx_main.html.

SUPPLEMENTARY INFORMATION: The Federal Emergency Management Agency (FEMA) makes the final flood hazard determinations as shown in the LOMRs for each community listed in the table below. Notice of these modified flood hazard determinations has been published in newspapers of local circulation and 90 days have elapsed since that publication. The Acting Deputy Assistant Administrator, Federal Insurance Directorate, Resilience has resolved any appeals resulting from this notification.

The modified flood hazard determinations are made pursuant to section 206 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are in accordance with the National Flood Insurance Act of 1968, 42 U.S.C. 4001 *et seq.*, and with 44 CFR part 65.

The current effective community number is shown and must be used for all new policies and renewals.

The new or modified flood hazard information is the basis for the floodplain management measures that

the community is required either to adopt or to show evidence of being already in effect in order to remain qualified for participation in the National Flood Insurance Program (NFIP).

This new or modified flood hazard information, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other Federal, State, or regional entities.

This new or modified flood hazard determinations are used to meet the floodplain management requirements of the NFIP. The changes in flood hazard determinations are in accordance with 44 CFR 65.4.

Interested lessees and owners of real property are encouraged to review the final flood hazard information available at the address cited below for each community or online through the FEMA Map Service Center at <https://msc.fema.gov>.
