Federal Emergency Management Agency

[Docket ID: FEMA–2026–0661; OMB No. 1660–0113]

Agency Information Collection Activities: Proposed Collection, Comment Request; FEMA Preparedness Grants: Tribal Homeland Security Grant Program (THSGP).

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: 60-Day notice of extension and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public to take this opportunity to comment on an extension, without change, of a currently approved information collection. In accordance with the requirements of the Paperwork Reduction Act of 1995, this notice seeks comments concerning the Tribal Homeland Security Grant Program (THSGP) investment justification, which allows Indian Tribes to apply for Federal Funding to support efforts to achieve target capabilities related to preventing, preparing for, protecting against, or responding to acts of terrorism.

DATES: Comments must be submitted on or before December 15, 2026.

ADDRESSES: To avoid duplicate submissions to the docket, please submit comments at <http://www.regulations.gov> under Docket ID FEMA-2026-0661. Follow the instructions for submitting comments.

All submissions received must include the agency name and Docket ID. Regardless of the method used to submit comments or material, all submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. You may contact the Information Management Division for copies of the proposed collection of information at email address: FEMA-Information-Collections-Management@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: The purpose of the THSGP is to make grants available to Federally-recognized “directly eligible tribes,” as defined by section 2005 of the Homeland Security Act of 2002 (codified as amended at 6 U.S.C. 606), and to provide Tribes with the ability to develop and deliver core capabilities using the combined efforts of the whole community, rather than the exclusive effort of any single organization or level of government. The THSGP’s allowable costs support efforts of Tribes to build and sustain core

capabilities to prepare for, prevent, protect against, and respond to acts of terrorism. The THSGP also plays an important role in the implementation of the National Preparedness System by supporting the building, sustainment, and delivery of core capabilities essential to achieving FEMA’s National Preparedness Goal of a secure and resilient Nation. Federally recognized Tribes are those Tribes appearing on the list published by the Secretary of the Interior pursuant to the Federally Recognized Indian Tribe List Act of 1994 (Pub. L. 103-454) (25 U.S.C. 5131). “Directly eligible tribes” are defined in section 2001 of the Homeland Security Act of 2002, as amended (Pub. L. 107-296) (6 U.S.C. 601).
