Polyethylene Terephthalate Film, Sheet, and Strip From India: Preliminary Results of Antidumping Duty Administrative Review, and Rescission of Review, in Part; 2024–2025

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that certain producers and/or exporters subject to this administrative review made sales of subject merchandise at less than normal value during the period of review (POR) July 1, 2024, through June 30, 2025. We are also rescinding the review with respect to certain companies. Interested

parties are invited to comment on these preliminary results.

DATES: Applicable October 19, 2026.

FOR FURTHER INFORMATION CONTACT: Jacob Saude, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0981.

SUPPLEMENTARY INFORMATION:

Background

On June 30, 2025, Commerce published the antidumping duty order on polyethylene terephthalate film, sheet, and strip (PET film) from India.¹ On August 22, 2025, in accordance with 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of Cosmo First Ltd. India (Cosmo), Chiripal Poly Films Limited (Chiripal), Ester Industries Ltd. (Ester), Garware Hight-Tech Films. (Garware),² JPFL Films Private Limited (JPFL); Polyplex Corporation Ltd. (Polyplex Corp), SRF Limited (SRF),³ and Vacmet India Limited (Vacmet).⁴ Commerce selected Polyplex Corp and SRF for individual examination as mandatory respondents.⁵ On November 20, 2025, the petitioner withdrew its request for Ester, Garware, Polyplex Corp, JPFL, and Vacmet.⁶ As a result, only SRF is subject to this administrative review.

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁷ Additionally, due to a backlog of documents that were electronically filed via Enforcement and

Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁸

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), Commerce extended the deadline for the preliminary results until September 30, 2026.⁹ Further, on September 29, 2026, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), Commerce extended the deadline to issue the preliminary results by seven days, until October 7, 2026.¹⁰

For a detailed description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.¹¹ A list of topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is available via ACCESS, which is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/fnotices>.

Scope of the Order

The merchandise subject to the Order is PET film from India. For a complete description of the scope of the Order, see the Preliminary Decision Memorandum.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of the notice of initiation. All requests for an administrative review of Cosmo, Chiripal, Ester, Garware, Vacmet, and

Polyplex Corp were timely withdrawn.¹² As a result, in accordance with 19 CFR 351.213(d)(1), we are rescinding this administrative review with respect to these companies. Accordingly, the company that remains subject to the instant review is SRF.

Methodology

Commerce is conducting this review in accordance with sections 751(a)(1)(B) and (2) of the Act. We calculated export price in accordance with section 772(a) of the Act. We calculated normal value in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum.

Preliminary Results of the Review

We preliminarily determine the following estimated weighted-average dumping margins exist for the period July 1, 2024, through June 30, 2025:

Exporter/producer	Weighted-average dumping margin (percent)
SRF Limited	0.61

Disclosure

Commerce intends to disclose its calculations performed to interested parties for these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Pursuant to 19 CFR 351.309(c)(1)(ii), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than 21 days after the date of the publication of this notice.¹³ Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹⁴ Interested

² On May 21, 2024, Commerce published its final results of the changed circumstances review (CCR) for Garware Polyester, in which we found that Garware Hi-Tech Films Limited (Garware Hi-Tech) is the successor-in-interest to Garware Polyester. See *Polyethylene Terephthalate Film, Sheet, and Strip from India: Final Results of Antidumping Duty Changed Circumstances Review*, 89 FR 44638 (May 21, 2024). An electronically filed document must be received successfully in its entirety in ACCESS by 5:00 p.m. Eastern Time on the established deadline.

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public executive summary for each issue raised in their briefs.¹⁶ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁷

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants, and whether any participant is a foreign national; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce will inform parties of the scheduled date for the hearing.¹⁸

Final Results of Review

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised by the parties in any written briefs, no later than 120 days

after the date of publication of these preliminary results.

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b)(1), upon issuing the final results, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.

If SRF's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.50 percent) in the final results of this review, Commerce intends to calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for each importer's examined sales to the total entered value of those sales. Where we do not have entered values for all U.S. sales to a particular importer, we will calculate an importer-specific, per-unit assessment rate on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales to the total quantity of those sales.¹⁹ To determine whether an importer-specific, per-unit assessment rate is *de minimis*, in accordance with 19 CFR 351.106(c)(2), we also will calculate an importer-specific *ad valorem* ratio based on estimated entered values. If SRF's weighted-average dumping margin is zero or *de minimis* or where an importer-specific *ad valorem* assessment rate is zero or *de minimis*, we will instruct CBP to liquidate appropriate entries without regard to antidumping duties.²⁰

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by SRF for which the respondent did not know that the merchandise was destined for the United States, we intend to instruct CBP to liquidate those entries at the all-others rate in the original less-than-fair-value (LTFV) investigation (i.e., 5.71 percent) if there is no rate for the intermediate company(ies) involved in the transaction.²¹ The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise under review and for future cash deposits of

estimated antidumping duties, where applicable.

For the companies for which we are rescinding this administrative review, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period of review, in accordance with 19 CFR 351.212(c)(1)(i). For these companies, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of these preliminary results in the **Federal Register**.

Commerce intends to issue assessment instructions to CBP regarding SRF no earlier than 35 days after the date of publication of the final results of this administrative review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) the company-specific cash deposit rate for SRF will be equal to the weighted-average dumping margin for each company established in the final results of this review (except, if that rate is *de minimis* within the meaning of 19 CFR 351.106(c)(1), then the cash deposit rate will be zero); (2) for producers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which they were reviewed; (3) if the exporter is not a firm covered in this review or a prior segment of the proceeding but the producer is, then the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 5.71 percent, the all-others rate established in the LTFV investigation.²² These cash deposit requirements, when

imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of countervailing duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h)(2) and 351.221(b)(4).

SUPPLEMENTARY INFORMATION:

Background

On April 14, 2026, Commerce published in the *Federal Register* the *Preliminary Results* of the 2024 administrative review of the antidumping duty (AD) order on fluid end blocks from Italy.¹ In the *Preliminary Results*, Commerce preliminarily assigned Lucchini Mamé Forge S.p.A.; Lucchini Industries S.r.l.; and Lucchini RS S.p.A. (collectively, Lucchini) a weighted-average dumping margin based on partial adverse facts available (AFA).² We invited interested parties to comment on the *Preliminary Results*.³

On May 12, 2026, the petitioners⁴ and Lucchini submitted their case briefs.⁵ On May 22, 2026, the petitioners and Lucchini submitted rebuttal briefs.⁶

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁷ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁸ On July 21, 2026, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), Commerce extended the

deadline for these final results by 53 days.⁹ On October 1, 2026, Commerce further extended the deadline for the final results of this review to October 13, 2026.¹⁰ For a complete description of the events that followed the *Preliminary Results*, see the Issues and Decision Memorandum.¹¹

Commerce conducted this administrative review in accordance with section 751(a)(1)(B) of the Act.

Scope of the Order¹²

The scope of the *Order* covers fluid end blocks from Italy. For a full description of the scope of the *Order*, see the Issues and Decision Memorandum.
