Overview of This Information Collection

1. *Type of Information Collection:* Revision of a currently approved collection.
2. *The Title of the Form/Collection:* Application for Pardon After Completion of Sentence.
3. *The agency form number, if any, and the applicable component of the*

Department sponsoring the collection: There is no agency form number for this collection. The applicable component within the Department of Justice is the Office of the Pardon Attorney.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:* Applicants seeking pardon by the President will be asked to respond to this collection. The principal purpose for collecting this information is to enable the Office of the Pardon Attorney to process applicants' requests for pardon after completion of sentence. The information is necessary to verify applicants' identities, conduct investigation of the applicants' backgrounds, criminal records, and conduct since their conviction, and to provide notice to the Federal Bureau of Investigation, U.S. Attorneys' Offices, U.S. Probation Offices, and federal courts in the event of grants of executive clemency.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* Available information suggests that potentially 500 to 1,000 applicants will complete petitions annually. We estimate an average of 180 minutes for each applicant to respond to the collection.

6. *An estimate of the total public burden (in hours) associated with the collection:* Considering the above projected figures, we estimate 1,500 to 3,000 hours of annual burden to the public.
