DEPARTMENT OF STATE

[Public Notice: 13135]

Privacy Act of 1974; System of Records

AGENCY: Department of State.

ACTION: Rescindment of a system of records notice.

SUMMARY: The “Board of Appellate Review Records,” State–02, system of records notice, which is being rescinded, applies to the records of the Office of the Legal Adviser Board of Appellate Review (“L–BAR”). L–BAR records included appeals of U.S. Department of State (the “Department”) determinations related to loss of U.S. nationality the denial of an application for a U.S. passport, or the revocation of a U.S. passport. State–02 contained correspondence between the appellant and their attorney at the Department, the appellant’s passport file, and copies of decisions rendered by the Board of Appellate Review. The latter two categories of records were only maintained in State–02 for the duration of the review after which they were returned to the Department’s Passport Records system of records, State–26.

DATES: The Department of State stopped maintaining the “Board of Appellate Review Records, State–02” in May 2024 following the disposition of remaining hard copy files pertaining to loss of nationality cases. All other records previously maintained in the system have been disposed of in accordance with the Department’s domestic Legacy Records Disposition Schedule for hard copy records created before 2012; specifically, Chapter 23 Legal Affairs Records, N1–059–95–11, item 10b.

ADDRESSES: Questions can be submitted by mail, or email. If mail, please write to: U.S. Department of State; Shared Knowledge Services, A/SKS; Room 4534, 2201 C St. NW, Washington, DC 20520. If email, please address the email to the Senior Agency Official for Privacy, Timothy J. Kootz, at SORN@state.gov. Please write “Board of Appellate Review Records, State–02” on the envelope or the subject line of your email.

SUPPLEMENTARY INFORMATION: The Board of Appellate Review, previously within the Department’s Office of the Legal Adviser, was responsible for reviewing

appeals related to Department determinations concerning cases of loss of nationality or the revocation of a passport. This board was disbanded in 2008. The administrative review functions related to passport revocations and loss of nationality have since been transferred to the Bureau of Consular Affairs. Relevant System of Records Notices pertaining to these records include State–05, Overseas Citizens Services Records and Other Overseas Records, State–26, Passport Records, and State–21, Legal Case Management Records.

DEPARTMENT OF STATE

[Public Notice: 13151]

Privacy Act of 1974; System of Records

AGENCY: Department of State.

ACTION: Notice of a modified system of records.

SUMMARY: This system maintains information that is used to establish the U.S. nationality and identity of persons for a variety of legal purposes including, but not limited to, the adjudication of passport applications and requests for related services, social security benefits, voter eligibility, employment applications, estate settlements, and Federal and state law enforcement and counterterrorism purposes.

DATES: In accordance with 5 U.S.C. 552a(e)(4) and (11), this system of records notice is effective upon publication, with the exception of the routine uses (u), (v), and (w) that are subject to a 30-day period during which interested persons may submit comments to the Department. Please submit any comments by November 23, 2026. Unless comments are received that would require a revision, routine uses (u), (v), and (w) will become effective on November 23, 2026.

ADDRESSES: Interested parties may submit comments, identified by Department docket number DOS–2026–1156, through the Federal eRulemaking

Portal at <http://www.regulations.gov>. Follow the website instructions for submitting comments. Comments submitted in a manner other than the eRulemaking Portal will not be considered comments on the System of Records Notice (SORN) and might not be considered by the Department.

(x) Government agencies other than the ones listed above that have statutory or other lawful authority to maintain such information may also receive access on a need-to-know basis; however, all information is made available to users only for a previously established routine use.

The Department of State periodically publishes in the **Federal Register** its standard routine uses that apply to all of its Privacy Act systems of records. These notices appear in the form of a Prefatory Statement (published in Volume 73, Number 136, Public Notice 6290, on July 15, 2008). All these standard routine uses apply to Passport Services Records, State-26.

POLICIES AND PRACTICES FOR STORAGE OF RECORDS:

Records are stored both in hard copy and on electronic media. A description of standard Department of State policies concerning storage of electronic records is found here <https://fam.state.gov/fam/05fam/05fam0440.html>. All hard copies of records containing personal information are in secured file cabinets in restricted areas, access to which is limited to authorized personnel only.

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

By individual name, date and place of birth, social security number, passport book or passport card number.

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

Records are retained in accordance with the following Records Disposition Schedule: N1-059-90-23, item 1(3); N1-059-04-02, item 15e; N1-059-04-02, item 15h; DAA-0059-2020-0017-0009 ; DAA-0059-2020-0017-0002 ;

DAA-0059-2020-0017-0011 ; DAA-0059-2020-0017-0025.

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

All users are given cyber security awareness training which covers the procedures for handling Sensitive but Unclassified (SBU) information, including personally identifiable information (PII). Annual refresher training is mandatory. In addition, all Department OpenNet users are required to take the National Foreign Affairs Training Center distance learning course instructing employees on privacy and security requirements, including the rules of behavior for handling PII and the potential consequences if it is handled improperly. Before being granted access to Passport Services Records, State-26, a user must first be granted access to the Department of State computer system.

Department of State employees and contractors may remotely access this system of records using non-Department owned information technology. Such access is subject to approval by the Department of State's mobile and remote access program and is limited to information maintained in unclassified information systems. Remote access to the Department of State's information systems is configured in compliance with OMB Circular Memorandum A-130 multifactor authentication requirements and includes a time-out function.

All Department of State employees and contractors with authorized access to records maintained in this system of records have undergone a background security investigation. Access to the Department of State, its annexes and posts abroad is controlled by security guards and admission is limited to those individuals possessing a valid identification card or individuals under proper escort. Access to computerized files is password-protected and under the direct supervision of the system manager. The system manager has the capability of printing audit trails of access from the computer media, thereby permitting regular and ad hoc monitoring of computer usage. When it is determined that a user no longer needs access, the user account is disabled.

Physical records containing personal information are maintained in secured file cabinets or in restricted areas, access to which is limited to authorized personnel. Servers are stored in secured facilities in cipher locked server rooms. Physical access to the server rooms is limited to authorized personnel only. The system is secured with the

safeguards required by OMB Memorandum M-07 16 as may be applicable.

The safeguards in the following paragraphs apply only to records that are maintained in government-certified cloud systems. All cloud systems that provide IT services and process Department of State information must be specifically authorized by the Department of State Authorizing Official and Senior Agency Official for Privacy.

Information that conforms with Department of State-specific definitions for Federal Information Security Modernization Act (FISMA) low, moderate, or high categorization are permissible for cloud usage and must specifically be authorized by the Department of State's Cloud Program Management Office and the Department of State Authorizing Official. Specific security measures and safeguards will depend on the FISMA categorization of the information in a given cloud system. In accordance with Department of State policy, systems that process more sensitive information will require more stringent controls and review by Department of State cybersecurity experts prior to approval. Prior to operation, all cloud systems must comply with applicable security measures that are outlined in FISMA, FedRAMP, OMB regulations, National Institute of Standards and Technology's (NIST) Special Publications (SP) and Federal Information Processing Standards (FIPS) and Department of State policies and standards.

All data stored in cloud environments categorized above a low FISMA impact risk level must be encrypted at rest and in-transit using a federally-approved encryption mechanism. The encryption keys shall be generated, maintained, and controlled in a Department of State data center by the Department of State key management authority. Deviations from these encryption requirements must be approved in writing by the Department of State Authorizing Official. High FISMA impact risk level systems will additionally be subject to continual auditing and monitoring, multifactor authentication mechanism utilizing Public Key Infrastructure (PKI) and NIST 800 53 controls concerning virtualization, servers, storage and networking, as well as stringent measures to sanitize data from the cloud service once the contract is terminated.

RECORD ACCESS PROCEDURES:

Individuals who wish to gain access to or amend records pertaining to themselves should submit a Privacy Act request to the U.S. Department of State Information Access Programs (IAP)

directorates by following the guidance and procedures located at <https://foia.state.gov/request/request2.aspx>. Mailed requests can be addressed to U.S. Department of State, Information Access Programs Directorate (A/SKS/IAP); 2201 C Street NW; Washington, DC 20520–0000. To request information under the Privacy Act, the individual should be a citizen of the United States, or an alien lawfully admitted for permanent residence. The Privacy Act permits access to an individual's own records only if those records are within a system of records that are retrieved by an individual's name or personal identifier.

CONTESTING RECORD PROCEDURES:

Individuals who wish to contest the content of any record pertaining to him or her in the system should write to U.S. Department of State; Information Access Programs Directorate (A/SKS/IAP); 2201 C Street NW; Washington, DC 20520–0000.

NOTIFICATION PROCEDURES:

Individuals who wish to be notified if the system contains a record pertaining to him or her should write to the U.S. Department of State; Information Access Programs Directorate (A/SKS/IAP); 2201 C Street NW; Washington, DC 20520–0000.

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

Pursuant to 5 U.S.C. 552a (k)(1), (k)(2), and (k)(3), certain records contained within this system of records may be exempt from subsections 5 U.S.C. 552a (c)(3), (d), (e)(1); (e)(4)(G), (e)(4)(H), (e)(4)(I) and (f).
