

health professional authorized to prescribe drugs' or 'prescriber' means an individual who is authorized by law to prescribe drugs or dangerous drugs or drug therapy related devices in the course of the individual's professional practice." *Id.* § 4729.01(I). Ohio statute further defines an authorized prescriber as "[a] dentist licensed under Chapter 4715. of the [Ohio] Revised Code." *Id.* § 4729.01(I)(1). Additionally, Ohio law permits "[a] licensed health professional authorized to prescribe drugs, if acting in the course of professional practice, in accordance with the laws regulating the professional's practice" to prescribe or administer schedule II, III, IV, and V controlled substances to patients. *Id.* § 3719.06(A)(1)(a)–(b).

Here, the undisputed evidence in the record is that Registrant lacks authority to practice dentistry in Ohio. As discussed above, an individual must be a licensed health professional authorized to prescribe drugs in order to handle controlled substances in Ohio. Thus, because Registrant is not a licensed health professional authorized to prescribe drugs in Ohio, and, therefore, is not authorized to handle controlled substances in Ohio, Registrant is not eligible to maintain a DEA registration. Accordingly, the Agency will order that Registrant's DEA registration be revoked.

Order

Pursuant to 28 CFR 0.100(b) and the authority vested in me by 21 U.S.C. 824(a), I hereby revoke DEA Certificate of Registration No. BB2606436 issued to Barry Backiewicz, D.D.S. Further, pursuant to 28 CFR 0.100(b) and the authority vested in me by 21 U.S.C. 823(g)(1), I hereby deny any pending applications of Barry Backiewicz, D.D.S., to renew or modify this registration, as well as any other pending application of Barry Backiewicz, D.D.S., for additional registration in Ohio. This Order is effective November 25, 2026.

Overview of This Information Collection

1. *Type of Information Collection:* Revision of a previously approved collection.

2. *Title of the Form/Collection:* Application for Cancellation of Removal for Certain Permanent Residents; and Application for Cancellation of Removal and Adjustment of Status for Certain Nonpermanent Residents.

3. *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* The agency form number is EOIR-42A and EOIR-42B, and the sponsoring DOJ component is EOIR.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Affected Public: Individuals in removal proceedings before EOIR determined to be removable from the United States.

Abstract: An individual who is removable from the United States may, pursuant to section 240A of the Immigration and Nationality Act (“INA” or “Act”) (8 U.S.C. 1229b(a)), request that the Attorney General cancel their removal. To be granted such relief from removal, the applicant must prove that they meet all of the statutory prerequisites for such relief and that they are entitled to a favorable exercise of discretion. There are two forms available to apply for cancellation of removal: Form EOIR-42A, Application for Cancellation of Removal for Certain

Permanent Residents; and Form EOIR-42B, Application for Cancellation of Removal and Adjustment of Status for Certain Nonpermanent Residents. This information collection is necessary to determine the statutory eligibility of individuals in removal proceedings who have been determined to be removable from the United States for cancellation of their removal, as well as to provide information relevant to a favorable exercise of discretion by the adjudicating immigration judge.

EOIR is making some substantive changes to the forms to remove unnecessary collections of information. For both forms, Question 21 will be generalized to account for various visa types that may have been used by the applicant to enter the United States. Within Part 7 on both forms, EOIR is removing form fields collecting information about the applicant that is irrelevant to the immigration judge's exercise of discretion for each respective type of immigration relief. Additionally, EOIR is modifying Part 9 for both forms to collect the applicant's signature and affirmation at the time the form is filed.

EOIR is also making several non-substantive changes to the forms to: update electronic filing fee information; format text to improve organization, clarity, and readability; and revise the Advice to Applicants, Instructions, and corresponding form questions to mirror as closely as possible the text of the INA to accurately reiterate legal standards set forth by the Act.

5. *Obligation to Respond:* Required to obtain/retain the benefit of cancellation of removal.

6. *Total Estimated Number of Respondents:* It is estimated that 1,457 respondents will complete the form annually for Cancellation of Removal for Certain Permanent Residents (EOIR-42A) and that 13,787 respondents will complete the form annually for Cancellation of Removal and Adjustment of status for Certain Nonpermanent Residents (EOIR-42B).

7. *Estimated Time per Respondent:* The estimated time per respondent for each form is 5 hours and 50 minutes.

8. *Frequency:* Once a year.

9. *Total Estimated Annual Time Burden:* 8,492 hours for the EOIR-42A and 80,380 hours for the EOIR-42B.

10. *Total Estimated Annual Other Costs Burden:* The following represents the maximum total public cost burden estimated for each form.

TOTAL PUBLIC COST

Activity	Filing fee	Printing	Mailing	Practitioner assistance	Total annual responses	Total annual public cost
EOIR-42A	\$710 per response	\$0.70 per response	\$5 per response	\$84.84/hr × 5.83 hours per response = \$494.62 per response.	1,457	\$1,762,956
EOIR-42B	\$1,649 per response.	\$0.80 per response	\$5 per response	\$84.84/hr × 5.83 hours per response = \$494.62 per response.	13,787	29,509,956

Printing and postage costs associated with filing these forms may be avoided because all forms may be submitted electronically. The cost for practitioner assistance is based on the average hourly wage for an attorney as estimated by the Bureau of Labor Statistics. The estimated total public cost for each form is derived by adding the filing fee with the estimated costs for hiring a practitioner to assist with completing the form, printing the form, and mailing the form, and then multiplying by the total number of annual responses.
