Annual Responses: 16,000 (4,000 quarterly).

defense capabilities, spending, and emerging threats.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Navy Insider Threat Report Form; OPNAV 5510/423; OMB Control Number 0703-0092.

Needs and Uses: The Department of the Navy uses Office of the Chief of Naval Operations (OPNAV) Form 5510/423, Navy Insider Threat Report, to collect standardized information concerning potential insider threats in support of the Navy Insider Threat Program. The collection supports the Navy's implementation of Executive Order 13587, which requires executive branch agencies to establish insider threat programs to deter, detect, and mitigate insider threats and unauthorized disclosures of classified national security information.

The form enables the Navy Analytic Hub to receive, assess, integrate, and respond to reports of concerning behavior or other information that may indicate a potential insider threat. Use of a standardized form reduces the need for repeated follow-up communications
