FOR FURTHER INFORMATION CONTACT: Paul Chaffin, Special Counsel, Division of Market Oversight, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street NW, Washington, DC 20581; (202) 418-5185; pchaffin@cftc.gov, and refer to OMB Control No. 3038-0103.

SUPPLEMENTARY INFORMATION:

Title: Ownership and Control Reports, Forms 102/102S, 40/40S, and 71 (Trader and Account Identification Reports) (OMB Control No. 3038-0103). This is a request for extension of a currently approved information collection.

Abstract: The final rules¹ created new information collection requirements via

¹ See Final Rule, *Ownership and Control Reports, Forms 102/102S, 40/40S, and 71*, 78 FR 69178

§§ 17.01, 18.04, 18.05, and 20.5.

Specifically, § 17.01 provides for the filing of Form 102A, Form 102B and Form 71, as follows:

- Pursuant to § 17.01(a), futures commission merchants (“FCMs”), clearing members, and foreign brokers shall identify new special accounts to the Commission on Form 102A;
- Pursuant to § 17.01(b), clearing members shall identify volume threshold accounts to the Commission on Form 102B; and
- Pursuant to § 17.01(c), omnibus volume threshold account originators and omnibus reportable sub-account originators shall identify reportable subaccounts to the Commission on Form 71 when requested via a special call by the Commission or its designee.

Additional reporting requirements arise from § 18.04, which results in the collection of information via Form 40 from and regarding traders who own, hold, or control reportable positions; volume threshold account controllers; persons who own volume threshold accounts; reportable sub-account controllers; and persons who own reportable sub-accounts.

Reporting requirements also arise from § 20.5(a), which requires all reporting entities to submit Form 102S for swap counterparty or customer consolidated accounts with reportable positions. In addition, § 20.5(b) requires every person subject to books or records under current § 20.6 to complete a 40S filing after a special call upon such person by the Commission.

In addition to the reporting requirements summarized above, § 18.05 imposes recordkeeping requirements upon: (1) Traders who own, hold, or control a reportable futures or options on futures position; (2) volume threshold account controllers; (3) persons who own volume threshold accounts; (4) reportable sub-account controllers; and (5) persons who own reportable subaccounts.

With respect to the collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;
- The accuracy of the Commission’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. On August 6, 2026, the Commission published in the **Federal Register** notice of the proposed revision of this information collection and provided 60 days for public comment on the proposed extension, 91 FR 50813 (“60-Day Notice”). The Commission received one comment from an anonymous commenter stating that the burden analysis in the 60-Day Notice “aggregates seven distinct reporting and recordkeeping instruments (§§ 17.01, 18.04, 18.05, 20.5) across 1,779 heterogeneous entities without itemizing form-specific burden.” The Commission, however, provides detailed burden estimates in its supporting statement. Moreover, the commenter did not otherwise comment on the Commission’s burden estimates or the utility of the information collected. Accordingly, the Commission is retaining its burden estimates.

Burden Statement: The Commission estimates the burden of this collection of information as follows:

Estimated Number of Respondents: 1,779.

Estimated Average Burden Hours per Respondent: 102.

Estimated Total Annual Burden Hours: 188,980.

Frequency of Collection: On occasion.

(Authority: 44 U.S.C. 3501 *et seq.*)

Dated: October 27, 2026.

Robert Sidman,

Deputy Secretary of the Commission.
