National Park Service

[NPS–WASO–CONC–43450: PPWOBSADC0, PPMVSCS1Y.Y00000]

Notice of Intent To Extend and Continue Concession Contracts and Award a Temporary Concession Contract

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: The National Park Service (NPS) announces its intent to extend, continue, and award concession contracts in accordance with 36 CFR part 51. To avoid interruptions in visitor services while new long-term contracts are developed and awarded, the NPS intends to extend certain existing contracts, continue others, and issue one temporary contract to maintain essential services until a new competitive contract becomes effective. These administrative actions ensure that visitor services remain uninterrupted across the affected park units.

DATES: The National Park Service intends that the concession contract extensions, continuations, and temporary concession contract will be effective on the dates shown in the tables below, as applicable.

FOR FURTHER INFORMATION CONTACT: Kurt Rausch, Program Chief, Commercial Services Program, National Park Service, 1849 C Street NW, Mail Stop 2410, Washington, DC 20240; Telephone: 202–513–7156.

SUPPLEMENTARY INFORMATION: Under 36 CFR 51.23 the NPS proposes to extend each contract listed in Table 1 until the date shown in the ''Extension Expiration Date'' column or until the effective date of a new contract, whichever comes first. The NPS has determined that the proposed extensions are necessary to avoid an interruption of visitor services and has taken all reasonable and appropriate steps to consider alternatives to avoid such an interruption. The extension of the existing contracts does not confer or affect any rights with respect to the award of new contracts.

The concession contracts listed in Table 2 below have been extended for the maximum time allowable under 36 CFR 51.23. Under the provisions of the existing contracts and pending the issuance of prospectuses and the completion of the public solicitation process to award new concession contracts, the NPS intends to continue the existing contracts until the date shown in the ''Continuation Expiration Date'' column or until the effective date of a new contract, whichever comes first. The continuation of the existing contracts does not confer or affect any rights with respect to the award of new concession contracts.

The NPS proposes awarding a temporary concession contract, in accordance with 36 CFR 51.24(a), to provide the visitor services currently provided under the contract listed in Table 3 below. The temporary contract will have a term not to exceed one year and will be awarded to a qualified person. The National Park Service anticipates that the temporary contract will be effective on the date shown in the ''Effective Date'' column. This notice is not a request for proposals.

The publication of this notice reflects the intent of the National Park Service but does not bind the National Park Service to extend, continue, or award any of the contracts listed below.
