Notice of Final Federal Agency Actions on Transportation Project in Nebraska

AGENCY: Federal Highway Administration (FHWA), Department of Transportation (DOT)

ACTION: Notice of limitation on claims for judicial review.

SUMMARY: This notice announces actions taken by the FHWA, on behalf of the Nebraska Department of Transportation and Iowa Department of Transportation, that are final. The action(s) relate to the Decatur Bridge Project, located in Burt County, Nebraska and Monona County, Iowa. Those actions grant licenses, permits, and approvals for the project. The project involves improving the existing Nebraska Highway 51 (N–51)/ Iowa Highway 175 (IA–175) crossing of the Missouri River near Decatur, Nebraska. The FHWA's National Environmental Policy Act (NEPA) Finding of No Significant Impact (FONSI) provides details on the Selected Alternative for the proposed improvements.

DATES: A claim seeking judicial review of the Federal agency actions on the listed highway project will be barred unless the claim is filed on or before April 1, 2027. If the Federal law that authorizes judicial review of a claim provides a time period of less than 150 days for filing such claim, then that shorter time period still applies.

SUPPLEMENTARY INFORMATION: Notice is hereby given that FHWA has taken final agency actions within the meaning of 23 U.S.C. 139(l)(1) by issuing a NEPA FONSI for the Decatur Bridge Project, located in Burt County, Nebraska and Monona County, Iowa. The action(s) by FHWA and the laws under which such actions were taken, are described in the FONSI and the associated agency records. That information is available by contacting FHWA at the addresses provided above.

The purpose of the project is to provide a resilient river crossing connecting Decatur, Nebraska/N–51 and Onawa, Iowa/IA–175 that maintains access to regional commerce, employment, education, health care, and recreation facilities, maintains accessibility to and by emergency services, and provides infrastructure to support current and future travel demand. A FONSI for the project was signed on October 26, 2026.

Information about the FONSI and associated records are available from FHWA at the addresses provided above and can be found at: *https://dot.nebraska.gov/projects/environment/environmental-documents/* or obtained by contacting the individuals listed above. Federal Motor Carrier Safety Administration

[Docket No. FMCSA–2026–0991]

Agency Information Collection Activities; Renewal of an Approved Information Collection Request: Hazardous Materials Safety Permits

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), Department of Transportation (DOT).

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FMCSA announces its plan to submit the Information Collection Request (ICR) described below to the Office of Management and Budget (OMB) for review and approval. This ICR requires companies holding safety permits to develop communications plans that allow for the periodic tracking of the shipments. A record of communications that includes the time of the call and location of the shipment may be kept by either the driver (*e.g.,* recorded in the logbook) or the company. These records must be kept, either physically or electronically, for at least 6 months at the company's principal place of business or readily available to the employees at the company's principal place of business. No comments were received in response to the 60-day **Federal Register** notice.

DATES: Comments on this notice must be received on or before December 2, 2026.

ADDRESSES: Written comments and recommendations for the proposed information collection should be submitted within 30 days of publication of this notice to *www.reginfo.gov/public/do/PRAMain.* Find this information collection by selecting ''Currently under 30-day Review—Open for Public Comments'' or by using the search function.
