''*Commission Temporary Work-at-Home Program (FERC–39)*'' was identified for rescindment from FERC's Privacy Act systems of records inventory because the records are no longer maintained by FERC. If a system of records is comprised of records that no longer meet this standard, the Privacy Act may require agencies to stop maintaining the system and expunge the records in accordance with the requirements of the SORN and the application record retention or disposition schedule approved by the National Archives and Records Administration. The system manager has deemed ''*Commission Temporary Work-at-Home Program (FERC–39)*'' obsolete and that the records are no longer relevant to accomplish an agency mission/purpose.
